Safety Instruction Guide for SHELLHOLDER MEC RELOADING 28 GAUGE SHELLHOLDER

Introduction

Thank you for choosing the SHELLHOLDER MEC RELOADING 28 GAUGE SHELLHOLDER. This product is designed for use with MEC reloading presses and is intended to enhance your reloading experience. It is essential to follow all safety instructions to ensure safe operation and to minimize risks associated with the use of this product.

General Safety Guidelines

- Always read and understand the product instructions before use.
- Ensure that the SHELLHOLDER is compatible with your specific MEC reloading press model.
- Keep the SHELLHOLDER out of reach of children and vulnerable individuals.
- Inspect the SHELLHOLDER for any damage before use. Do not use if damaged.
- Store the SHELLHOLDER in a dry and safe location when not in use.
- Report any unsafe conditions or accidents to the relevant authorities immediately.

Specific Safety Precautions for Use

- Use the SHELLHOLDER only for its intended purpose as specified in the product instructions.
- Wear appropriate safety gear, such as safety glasses and gloves, when reloading.
- Ensure that your work area is clean and free of obstructions before starting the reloading process.
- Do not exceed the recommended load specifications for your reloading press and shellholder.
- Avoid distractions while reloading to maintain focus and prevent accidents.
- Always doublecheck that the SHELLHOLDER is securely attached to the reloading press before use.

Instructions for Installation and Usage

1. Installation:

- Ensure your MEC reloading press is turned off and unplugged before installation.
- Locate the designated area on the reloading press for the shellholder.
- Align the SHELLHOLDER with the mounting area.
- Secure the SHELLHOLDER in place according to the manufacturer's instructions.

2. Usage:

- Prepare your reloading materials and ensure you have all necessary components.
- Insert the appropriate 28 gauge shell into the SHELLHOLDER.
- Follow the reloading press instructions to complete the reloading process.
- After use, remove the shell from the SHELLHOLDER and store it properly.

Disposal Instructions

- Dispose of any damaged or unusable SHELLHOLDER components in accordance with local regulations.
- Do not dispose of the SHELLHOLDER in household waste if it is still in usable condition; consider donating or recycling.
- Follow local guidelines for the disposal of any materials associated with reloading.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the product packaging for the relevant contact details. It is important to have access to assistance if you encounter any issues or have safety concerns related to the SHELLHOLDER MEC RELOADING 28 GAUGE SHELLHOLDER.

By adhering to these safety instructions, you can ensure a safe and effective reloading experience with your SHELLHOLDER MEC RELOADING 28 GAUGE SHELLHOLDER. Always prioritize safety and compliance with the EU General Product Safety Regulation.
