Safety Instruction Guide for the TREKLITE XLARGE LOCK BOX with Combination Lock

Introduction

Thank you for choosing the TREKLITE XLARGE LOCK BOX with Combination Lock. This product is designed to provide secure storage for handguns and other valuables, ensuring safety and convenience at home or while traveling. Please read this safety instruction guide carefully to ensure the safe use of the product.

General Safety Guidelines

- Always ensure that the lock box is securely closed when not in use.
- Store the lock box in a location that is out of reach of children and unauthorized users.
- Regularly check the condition of the lock box for any signs of wear or damage.
- Familiarize yourself with the TSA guidelines regarding the transport of firearms and valuables.
- Report any unsafe products or incidents to the relevant authorities immediately.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Use the lock box only for its intended purpose: storing handguns and valuables.
- Ensure that the combination lock is set to a secure code that is not easily guessed.
- Do not disclose your combination code to anyone who does not have permission to access the contents of the lock box.
- Avoid exposing the lock box to extreme temperatures or harsh chemicals that may damage the material.
- Ensure that the lock box is placed on a stable surface to prevent accidental tipping or falling.
- If the lock box is used for travel, ensure it is properly secured within your luggage.

Instructions for Installation and Usage

1. **Selecting a Location:** Choose a secure and discreet location for your lock box, ensuring it is out of reach of children.
2. **Setting the Combination Lock:**
 - Open the lock box using the factoryset combination.
 - Follow the instructions provided in the lock mechanism to set your personal 4digit combination.
 - Test the new combination multiple times to ensure it works correctly.
3. **Storing Items:**
 - Place your handgun or valuables inside the lock box.
 - Ensure that items are securely positioned to avoid movement during transport.
4. **Locking the Box:**
 - Close the lid securely after placing items inside.
 - Rotate the combination dial to lock the box.
5. **Transporting the Lock Box:**
 - When traveling, secure the lock box in your suitcase, drawer, or under a car seat.
 - Ensure that it is not visible from outside the luggage or vehicle.
6. **Regular Maintenance:**
 - Clean the exterior of the lock box with a soft cloth to prevent dirt accumulation.
 - Inspect the lock mechanism periodically to ensure it functions smoothly.

Disposal Instructions

- Dispose of the lock box responsibly at a designated waste facility or recycling center.
- If the lock box is damaged beyond repair, ensure that it is rendered unusable before disposal to prevent

unauthorized access.
