

# PATCH HOG - BORE TECH PATCH HOG

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Patch Collectors](#)

This is Bore Tech's original patch and solvent collection system that removes all the fuss and muss of cleaning far behind. The Patch Hog was invented to eliminate the mess and neutralize odors associated with cleaning firearms. With the Patch Hog you'll never touch a dirty patch again. Plus, say good bye to smelly trash cans. The Patch Hog simply slips over the muzzle of any firearm and fastens securely with a scratchresistant rubber washer. The star washer grips up to 2" dia. barrels, and fits over iron sights. Next, screw on a plastic soda or water bottle to the threaded end to catch your spent patches. Just unscrew the bottle from the Patch Hog and screw on the old lid when you're done and throw it away—that's it.

## Attributes

- Name: [BORE TECH PATCH HOG](#)
- Manufacturer: [BORE TECH](#)
- Product no.: 749101571
- Mfr. No.: BTPH-1000

# **PATCH HOG BORE TECH PATCH HOG Safety Instruction Guide**

## **Introduction**

Thank you for choosing the Patch Hog Bore Tech Patch Hog. This innovative product is designed to make firearm cleaning easier and cleaner by eliminating the mess and odors typically associated with the process. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## **General Safety Guidelines**

- Always use the Patch Hog in a wellventilated area to avoid inhaling any fumes from cleaning solvents.
- Keep the Patch Hog and all cleaning materials out of reach of children and pets.
- Inspect the Patch Hog before each use to ensure it is in good condition and free from damage.
- Do not use the Patch Hog with any cleaning solvents that are not compatible with the materials of the product.
- Report any unsafe conditions or accidents to the relevant authorities.

## **Specific Safety Precautions for Use**

- Ensure the firearm is unloaded and pointed in a safe direction before attaching the Patch Hog.
- Use the Patch Hog only with firearms that are compatible with its design.
- Do not attempt to modify the Patch Hog or use it for purposes other than those stated in the instructions.
- Avoid placing your hands near the muzzle of the firearm while using the Patch Hog.
- Always wear appropriate personal protective equipment (PPE), such as gloves and safety goggles, when cleaning firearms.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Ensure that the firearm is unloaded and in a safe position.
- Gather all necessary cleaning materials and solvents.

### **2. Attaching the Patch Hog:**

- Slip the Patch Hog over the muzzle of the firearm.
- Securely fasten the Patch Hog using the scratchresistant rubber washer.
- Ensure that the star washer grips the barrel firmly, accommodating up to 2" diameter barrels and fitting over iron sights.

### **3. Using the Patch Hog:**

- Screw a compatible plastic soda or water bottle onto the threaded end of the Patch Hog.
- Begin cleaning the firearm as per your usual cleaning procedure.
- The spent patches will be collected in the attached bottle.

### **4. Finishing Up:**

- Once you have finished cleaning, carefully unscrew the bottle from the Patch Hog.
- Replace the old lid on the bottle before disposing of it in accordance with local waste disposal regulations.

### **5. Cleaning the Patch Hog:**

- After use, clean the Patch Hog with a mild detergent and water.
- Allow it to dry completely before storing.

## **Disposal Instructions**

- Dispose of any used cleaning patches and solvents in accordance with local regulations for hazardous waste.
- The Patch Hog can be disposed of in regular household waste, provided it is no longer functional and has been cleaned.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Patch Hog, please refer to the manufacturer's contact information included with the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety guidelines. Enjoy a cleaner and safer firearm cleaning experience with the Patch Hog!
