Safety Instruction Guide for the Universal Flash Hole Deburring Tool

Introduction

Thank you for purchasing the Universal Flash Hole Deburring Tool by Redding. This tool is designed to remove burrs from flash holes in cartridge cases, ensuring reliable ignition. Please read this safety instruction guide carefully to ensure safe and effective use.

General Safety Guidelines

- Ensure that the tool is used only for its intended purpose.
- Always inspect the tool for any damage before use.
- Keep the tool out of reach of children and vulnerable individuals.
- Store the tool in a safe place when not in use.
- Follow all local regulations regarding the use of tools and firearms.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses, to protect your eyes from debris.
- Use the tool in a wellventilated area to avoid inhaling any dust or particles.
- Avoid using excessive force when operating the tool to prevent injury or damage.
- Do not modify the tool in any way, as this may compromise its safety and effectiveness.
- Ensure that your workspace is clean and organized to prevent accidents.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials, including the Universal Flash Hole Deburring Tool and the cartridge cases you wish to deburr.
- Ensure your workspace is clean and welllit.

2. Using the Tool:

- Insert the tool into the flash hole of the cartridge case.
- Gently rotate the tool to remove any burrs.
- The builtin stop will control the cutting depth, preventing overdeburring.
- After use, remove the tool and inspect the flash hole to ensure it is clear of debris.

3. PostUse Care:

- Clean the tool after each use to maintain its effectiveness.
- Store the tool in a protective case to prevent damage.

Disposal Instructions

- Dispose of the tool in accordance with local regulations.
- Do not dispose of the tool in regular household waste if it is damaged or broken. Check for local recycling options.

Contact Information for Further Support

For any safety inquiries or further assistance, please consult your retailer or visit the manufacturer's website for additional resources.

By following these safety instructions, you can ensure safe and effective use of the Universal Flash Hole Deburring Tool. Thank you for prioritizing safety in your reloading practices.
