

# AR-15 A2 BUTTSTOCK WEIGHT - BROWNELLS BRN AR-15 A2 BUTTSTOCK WEIGHT, UNFINISHED, LEAD

[Rifle Parts](#) > [Stock Parts](#) > [Stock Hardware](#) > [Weights](#)

## Balances The Rifle For Consistent Accuracy

Pre-formed lead ingot increases the rear weight; balances out muzzle-heavy, match AR-15's for consistent, shot-to-shot accuracy. Denser than loose, lead shot; conveniently drops into the A-2 buttstock and is retained by the trap door. Can be cut, drilled or trimmed to achieve required balance.

# AR15 A2 Buttstock Weight Safety Instruction Guide

## Introduction

Thank you for choosing the AR15 A2 Buttstock Weight by Brownells. This product is designed to enhance the balance and accuracy of your AR15 firearm by providing additional weight to the rear of the buttstock. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always handle firearms with care and in accordance with established safety practices.
- Ensure that the AR15 is unloaded before installing the buttstock weight.
- Keep the buttstock weight and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the buttstock weight for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm modifications and accessories.

## Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation or use of the buttstock weight may affect the firearm's balance and handling characteristics, potentially leading to accidents.
- **Avoiding Hazards:**
  - Ensure that the weight is securely installed in the buttstock before using the firearm.
  - Do not exceed the recommended weight limit for your AR15 model.
  - Be cautious of any sharp edges when handling the lead ingot.
- **AgeSpecific Warnings:** This product is intended for use by adults. Keep out of reach of children.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the AR15 is unloaded and pointed in a safe direction.
- Gather necessary tools (e.g., cutting tools, drill) for any adjustments to the lead ingot.

### 2. Installation:

- Open the trap door of the A2 buttstock.
- Carefully drop the preformed lead ingot into the compartment.
- Ensure that the ingot is securely placed and retained by the trap door.
- If necessary, trim or drill the ingot to achieve the desired weight and balance.

### 3. Usage:

- After installation, check that the buttstock weight is secure before firing.
- Practice safe handling and shooting practices while using your AR15.

## Disposal Instructions

- Dispose of the buttstock weight in accordance with local regulations regarding lead and hazardous materials.
- Do not discard the weight in regular household waste.
- Consider recycling options or contacting local waste management authorities for guidance on safe disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 A2 Buttstock Weight, please refer to the manufacturer's website or contact their customer support for assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your AR15 A2 Buttstock Weight. Always prioritize safety and responsible firearm handling practices. Thank you for your attention to these guidelines.
