

REMINGTON 870/1100/11-87 EXTENDED MAGAZINE TUBE, BOTTOM LOOP - SCATTERGUN TECHNOLOGY REMINGTON 870/1100/11-87 EXT MAG TUBE, BOTTOM LOOP, 1 RD

[Shotgun Parts](#) > [Magazine Tube Parts](#) > [Magazine Tube Extensions](#)

Adds One Additional Round To Your Remington Shotgun

Machined steel magazine extensions increase capacity without gunsmithing or permanent alterations to your Remington 870, 1100 or 11-87 shotgun. Knurled, threaded collar screws onto the end of the mag tube. Includes high-performance, extended length magazine spring and an unbreakable, high-visibility, nylon follower. Loop model features a stationary loop on the bottom side of the extension to accept direct attachment of tactical-style slings without swivels. Fits 12 gauge only.

Safety Instruction Guide for REMINGTON 870/1100/1187 Extended Magazine Tube

Introduction

Thank you for choosing the REMINGTON 870/1100/1187 Extended Magazine Tube by Scattergun Technology. This product is designed to enhance the capacity of your shotgun while ensuring safe and effective use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of this product safely.

General Safety Guidelines

- Ensure that this product is used only with compatible shotgun models: Remington 870, 1100, and 1187.
- Always handle firearms with care and follow all local laws and regulations regarding firearm usage.
- Keep this product out of reach of children and unauthorized users.
- Regularly check for any signs of wear or damage to the magazine tube and components.
- If you experience any issues or concerns regarding the product, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Before installation, ensure that your shotgun is unloaded and the safety is engaged.
- Do not exceed the recommended capacity of the magazine tube.
- Be cautious when using tacticalstyle slings with the bottom loop. Ensure that the sling is securely attached to prevent accidental discharge.
- Always wear appropriate eye and ear protection when using firearms.
- Avoid using this product in wet or extreme weather conditions that may affect its performance.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure the shotgun is unloaded and the safety is engaged.
- Gather necessary tools, including a wrench for securing the collar.

2. Remove the Existing Magazine Tube:

- Unscrew the existing magazine tube from the shotgun.
- Carefully detach any components that may be attached to the original magazine tube.

3. Install the Extended Magazine Tube:

- Align the knurled, threaded collar of the extended magazine tube with the shotgun's receiver.
- Screw the collar onto the end of the magazine tube securely using a wrench. Do not overtighten.

4. Insert the Magazine Spring and Follower:

- Place the highperformance, extended length magazine spring into the tube.
- Follow with the unbreakable, highvisibility nylon follower.

5. Final Checks:

- Ensure that the magazine tube is securely attached and that all components are properly installed.

- Test the movement of the follower by pushing it down to ensure it operates smoothly.

Usage

- Load the magazine tube with the appropriate number of rounds, ensuring not to exceed the capacity of one round.
- When ready to use, check that the shotgun is in good working order and that the safety is disengaged only when you are prepared to fire.
- After use, unload the shotgun and ensure it is stored securely.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm accessories.
- If the product is damaged or no longer usable, do not attempt to repair it. Instead, dispose of it responsibly to prevent any potential hazards.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's website or contact the customer support service directly.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our top priority. Always practice safe handling and storage of your firearm and accessories.
