[Handgun Parts](#) > [Slide Parts](#) > [Bolt Parts](#) > [Bolts](#)

## Rebuilding, Accurizing, Tuning & Restoration

Heat-treated, spring steel, hardened and oversize action parts for rebuilding and accurizing Colt Single Action Army revolvers. All are slightly oversize to allow precise fitting. Bolts are radiused between the forks to resist breakage, extra wide lug provides for exact fit to cylinder locking slots. 1st Gen. bolt is shaped and contoured to match the original. 2nd/3rd Gen. bolt will fit all 1st, 2nd, 3rd generation guns. Hand, for 1st and 2nd generation guns, is hardened and heat treated to improve durability. Left slightly long for precise fitting.

# Safety Instruction Guide for SINGLE ACTION ARMY 1ST, 2ND, 3RD GEN BOLT SMITH ENTERPRISE HAND

## Introduction

Thank you for choosing the SINGLE ACTION ARMY 1ST, 2ND, 3RD GEN BOLT SMITH ENTERPRISE HAND. This product is designed to enhance the performance and accuracy of your Colt Single Action Army revolver. To ensure your safety and the safety of others, please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure safe use of all nonfood products, including this firearm component.
- Be aware of potential risks associated with using firearm parts, including improper installation and use.
- Always follow local laws and regulations regarding firearms and their components.
- If you are unsure about any aspect of the installation or use, consult a qualified gunsmith.
- Regularly check for updates or recalls on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always handle the firearm with care, treating it as if it is loaded.
- Wear appropriate safety gear, including eye protection, while working on or using the firearm.
- Ensure that the firearm is unloaded before installing or replacing any parts.
- Keep all tools and parts out of reach of children and vulnerable individuals.
- Do not modify the bolt or hand beyond the manufacturer's specifications.
- Inspect the bolt and hand for any signs of wear or damage before use.
- If the firearm malfunctions, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that you are in a safe environment to work on your firearm.
- Gather all necessary tools and materials for installation.

### 2. Installation of the Bolt

- Remove the existing bolt from the revolver by following the manufacturer's guidelines.
- Compare the new bolt with the old one to ensure proper fit.
- Carefully insert the new bolt into the revolver's action, ensuring it is aligned correctly.
- Check that the radiused forks of the bolt fit properly within the action to avoid breakage.

### 3. Installation of the Hand

- Remove the existing hand from the revolver.
- Ensure that the new hand is slightly long to allow for precise fitting.
- Insert the new hand into the revolver, ensuring it is seated correctly.
- Test the action to ensure smooth operation and make any necessary adjustments.

### 4. Final Checks

- After installation, conduct a thorough inspection of the revolver to ensure all parts are securely

- fitted.
- Test the functionality of the revolver in a safe and controlled environment.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the product becomes damaged or unusable, dispose of it in a manner that prevents any risk of harm to others.
- Follow local regulations regarding the disposal of firearm components.

## **Contact Information for Further Support**

For any questions or concerns regarding the installation, usage, or safety of the SINGLE ACTION ARMY 1ST, 2ND, 3RD GEN BOLT SMITH ENTERPRISE HAND, please consult a qualified gunsmith or refer to the manufacturer's website for additional resources.

## **Conclusion**

By following these guidelines, you can ensure the safe and effective use of your SINGLE ACTION ARMY 1ST, 2ND, 3RD GEN BOLT SMITH ENTERPRISE HAND. Your safety and the safety of others is paramount. Thank you for your attention to these important safety instructions.
