

LETTER DRILLS - JOBBER LENGTH - TRIUMPH TWIST DRILL CO. JOBBER LENGTH LETTER DRILL F (.257") DIAMETER

[Gunsmith Tools](#) > [Power Tools & Accessories](#) > [Drill Bits](#)

U.S. Made

A heavy-duty drill can make all the difference in the world in your work. The extra engineering and care in manufacture will help you to drill cleaner, more accurate holes, and many more of them at that. All the Drills we carry, Sets, Individuals, Jobber Length and Short Length, are made from High Speed Steel with a 135° self-centering point. Special point and surface treatments (Maxi-Set not treated) give easier, more wear-resistant drilling of the tough steels encountered in the gun shop.

Attributes

- Name: [TRIUMPH TWIST DRILL CO. JOBBER LENGTH LETTER DRILL F \(.257"\) DIAMETER](#)
- Manufacturer: [TRIUMPH TWIST DRILL CO.](#)
- Product no.: 891306257
- Mfr. No.: 013406
- Bit Size: 0.257
- Colour: Black Oxide
- Material: High Speed Steel
- Style: Jobber Drill Bits- Drill Bit Style
- Delivery weight: 0.018kg
- Shipping height: 1mm
- Shipping width: 83mm
- Shipping length: 146mm
- UPC: 086839134062

Safety Instruction Guide for LETTER DRILLS JOBBER LENGTH TRIUMPH TWIST DRILL CO. JOBBER LENGTH LETTER DRILL F (.257") DIAMETER

Introduction

Thank you for choosing the LETTER DRILLS JOBBER LENGTH from Triumph Twist Drill Co. This guide provides important safety instructions to ensure safe and effective use of the drill. Please read and understand all information before using the product.

General Safety Guidelines

- Ensure that the drill is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the drill.
- Keep the work area clean and well-lit to minimize accidents.
- Ensure that the drill bit is securely attached before use.
- Do not use the drill if it is damaged or malfunctioning.
- Store the drill in a dry place, away from moisture and extreme temperatures.
- Follow all local regulations regarding the use and disposal of tools.

Specific Safety Precautions for Use

- Always inspect the drill bit for damage before each use.
- Use the drill at the recommended speed for the material being drilled.
- Avoid applying excessive pressure; let the drill do the work.
- Keep hands and other body parts away from the drill bit while in operation.
- Do not attempt to remove debris or materials from the drill bit while it is still running.
- Ensure that the drill is turned off and unplugged when changing bits or making adjustments.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and materials.
- Ensure you have a suitable work surface.

2. Attaching the Drill Bit

- Select the appropriate drill bit size for your project.
- Insert the drill bit into the chuck and tighten securely using the chuck key or by hand, depending on the drill model.

3. Setting Up the Drill

- Place the drill on a stable surface.
- Ensure that the power source is compatible with the drill specifications.

4. Using the Drill

- Mark the drilling location on the material.
- Hold the drill firmly with both hands.
- Align the drill bit with the marked point and start the drill.
- Apply light pressure until the drill penetrates the material, then allow the drill to work.

5. After Use

- Turn off the drill and unplug it from the power source.
- Clean the drill bit and the surrounding area of any debris.
- Store the drill in a safe place.

Disposal Instructions

- Dispose of the drill and any broken parts in accordance with local regulations.
- Do not dispose of the drill in regular household waste.
- Consider recycling options for metal and plastic components.

Contact Information for Further Support

For any safety inquiries or additional support regarding this product, please refer to the manufacturer's contact details provided with your purchase. It is important to address any concerns to ensure safe usage.

By following these safety instructions, you can help ensure a safe and effective drilling experience with your LETTER DRILLS JOBBER LENGTH. Always prioritize safety and report any unsafe conditions or incidents to the appropriate authorities. Thank you for your attention to these important guidelines.
