

# LETTER DRILLS - JOBBER LENGTH - TRIUMPH TWIST DRILL CO. JOBBER LENGTH LETTER DRILL M (.295") DIAMETER

[Gunsmith Tools](#) > [Power Tools & Accessories](#) > [Drill Bits](#)

## U.S. Made

A heavy-duty drill can make all the difference in the world in your work. The extra engineering and care in manufacture will help you to drill cleaner, more accurate holes, and many more of them at that. All the Drills we carry, Sets, Individuals, Jobber Length and Short Length, are made from High Speed Steel with a 135° self-centering point. Special point and surface treatments (Maxi-Set not treated) give easier, more wear-resistant drilling of the tough steels encountered in the gun shop.

## Attributes

# Safety Instruction Guide for LETTER DRILLS JOBBER LENGTH TRIUMPH TWIST DRILL CO.

## Introduction

Thank you for choosing the LETTER DRILLS JOBBER LENGTH from TRIUMPH TWIST DRILL CO. This guide provides important safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the drill.

## General Safety Guidelines

- Ensure that the drill is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the drill.
- Keep the work area clean and welllit to prevent accidents.
- Store the drill in a safe place when not in use, out of reach of children and pets.
- Regularly inspect the drill for any signs of wear or damage before use.
- Follow the manufacturer's guidelines for maintenance and care of the drill.

## Specific Safety Precautions for Use

- Use the drill only on materials that are compatible with its specifications.
- Avoid using excessive force while drilling; let the drill do the work.
- Ensure that the drill bit is securely attached before use.
- Do not attempt to modify the drill or its components in any way.
- Be aware of your surroundings and keep bystanders at a safe distance while operating the drill.
- If you experience any unusual sounds or vibrations while using the drill, stop immediately and inspect the tool.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials and tools before starting.
- Ensure that the workspace is clear of any unnecessary items.

### 2. Installation:

- Select the appropriate drill bit size for your project.
- Insert the drill bit into the chuck and tighten securely.
- Adjust the drill settings according to the material being drilled.

### 3. Usage:

- Position the drill perpendicular to the work surface for accurate drilling.
- Start the drill at a low speed to create a pilot hole, then increase speed as necessary.
- Maintain a firm grip on the drill and apply steady pressure while drilling.
- Once finished, release the trigger and allow the drill to come to a complete stop before setting it down.

## **Disposal Instructions**

- Dispose of the drill in accordance with local regulations regarding electronic waste and materials.
- Remove any batteries or power sources before disposal.
- If the drill is no longer usable, consider recycling it at a designated facility.

## **Contact Information for Further Support**

For any safety inquiries or assistance, please refer to the contact information provided by the manufacturer. Ensure that you have the product details at hand for quicker assistance.

By following these safety instructions, you can ensure a safer experience while using the LETTER DRILLS JOBBER LENGTH. Always prioritize safety and do not hesitate to seek help if needed. Thank you for your attention to these guidelines.
