

WINCHESTER 94 SIGHT SET - TRUGLO WINCHESTER 94 FIBER OPTIC SIGHT SET MULTI

[Rifle Parts](#) > [Sights](#) > [Sight Sets](#)

Combination red front and green rear provides eye-catching contrast for quick sight alignment. Fiber optic rods gather available light and draw your eye to the sights to get you on target fast. Machined aluminum body adjusts for windage and elevation. Front and rear set replaces factory sight without alteration or gunsmithing. Winchester 94 fits models with a front sight ramp.

WINCHESTER 94 SIGHT SET TRUGLO Safety Instruction Guide

Introduction

Thank you for choosing the WINCHESTER 94 SIGHT SET TRUGLO. This guide provides essential safety instructions and information to ensure the safe use of your sight set. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure the sight set is compatible with your Winchester 94 model before installation.
- Always handle firearms with care and follow all safety protocols.
- Keep the sight set out of reach of children and vulnerable individuals.
- Regularly inspect the sight set for signs of wear or damage.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Do not attempt to modify or alter the sight set.
- Ensure the firearm is unloaded before installing or adjusting the sight set.
- Always wear appropriate eye protection when using firearms.
- Avoid using the sight set in extreme weather conditions that may affect visibility.
- Be aware of your surroundings and ensure a safe shooting environment when using your firearm.

Instructions for Installation and Usage

Installation Steps

1. **Prepare Your Firearm:** Ensure that the Winchester 94 is unloaded and pointed in a safe direction.
2. **Remove Factory Sight:** Carefully remove the factory sight from the front sight ramp without damaging the firearm.
3. **Install Front Sight:** Align the new fiber optic front sight with the sight ramp and secure it in place.
4. **Install Rear Sight:** Attach the rear sight to the designated area, ensuring it is aligned properly.
5. **Adjust for Windage and Elevation:** Use the machined aluminum body to make necessary adjustments for windage and elevation.
6. **Check Alignment:** Verify that both sights are aligned correctly for optimal performance.

Usage Instructions

- After installation, practice sight alignment in a safe and controlled environment.
- Adjust the sights as needed based on your shooting experience and preferences.
- Regularly check the sights for stability and alignment before each use.

Disposal Instructions

- Dispose of the sight set in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the sight set in regular household waste.
- Consider recycling components where applicable.

Contact Information for Further Support

For additional support or inquiries regarding safety, please refer to the EUbased contact point provided with your product packaging or visit the manufacturer's website.

Thank you for prioritizing safety while using the WINCHESTER 94 SIGHT SET TRUGLO. Your attention to these guidelines helps ensure a safe and enjoyable shooting experience.
