CHOKE TUBE SAFETY INSTRUCTIONS

Introduction

Thank you for purchasing the CHOKE TUBE, XFULL, C12 OCHP EXTENDED +50mm by Beretta USA. This document provides essential safety instructions to ensure the safe use and handling of your choke tube. Please read this guide carefully before use.

General Safety Guidelines

- Always follow the manufacturer's instructions for installation and use.
- Ensure that the product is suitable for your specific firearm model.
- Regularly inspect the choke tube for signs of wear or damage.
- Store the choke tube in a dry and secure location to prevent unauthorized access.
- Report any unsafe products and accidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the choke tube is properly installed before using your firearm.
- Only use the choke tube with compatible ammunition.
- Do not attempt to modify or alter the choke tube in any way.
- Keep the choke tube and firearm out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when using a firearm.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before handling.
- Remove the existing choke tube from the barrel if applicable.
- Clean the threads of the barrel and the choke tube to remove any debris.
- Carefully screw the choke tube into the barrel, turning it clockwise until it is securely in place.
- Use a choke wrench if necessary to ensure a snug fit.

2. Usage:

- Load your firearm with compatible ammunition.
- Follow all local laws and regulations regarding firearm use.
- Aim in a safe direction and be aware of your target and what is beyond it.
- After use, unload the firearm and remove the choke tube for cleaning if necessary.

Disposal Instructions

- Dispose of the choke tube in accordance with local regulations.
- Do not dispose of the choke tube in regular household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of this product, please reach out to the appropriate support channels as indicated in the packaging or product documentation.

By adhering to these safety instructions, you can help ensure a safe and enjoyable experience with your CHOKE TUBE, XFULL, C12 OCHP EXTENDED +50mm. Thank you for your attention to safety.
