Choke Tubes Safety Instruction Guide

Introduction

Thank you for choosing the Beretta A400 Xcel Multitarget Full C12 OCHP Extended +50mm Choke. This guide provides essential safety instructions and guidelines to ensure the safe use of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using your choke tube.

General Safety Guidelines

- Ensure that the choke tube is installed correctly before use.
- Always handle the choke tube with care and keep it out of the reach of children.
- Regularly inspect the choke tube for signs of damage or wear.
- Follow all manufacturer instructions for use and maintenance.
- Be aware of your surroundings when using firearms equipped with choke tubes.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Use only with compatible Beretta models: A400 Lite, A400 Xcel MultiTarget.
- Never exceed the recommended specifications for ammunition and shooting conditions.
- Always ensure that the firearm is unloaded when installing or removing the choke tube.
- Wear appropriate safety gear, including eye and ear protection, when using firearms.
- Avoid using the choke tube in adverse weather conditions that may affect performance.
- Do not modify or alter the choke tube in any way.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Locate the choke tube on the muzzle of the firearm.
- Use a choke wrench to loosen the existing choke tube, if applicable.
- Carefully thread the Beretta A400 Xcel Multitarget Full C12 OCHP Extended +50mm Choke into the muzzle.
- Tighten securely using the choke wrench, but do not overtighten.

2. Usage:

- Load the firearm according to the manufacturer's instructions.
- Aim and fire in a safe direction, following all standard firearm safety protocols.
- After use, ensure the firearm is unloaded and clean the choke tube as per maintenance guidelines.

Disposal Instructions

- Dispose of the choke tube responsibly in accordance with local regulations.
- Do not dispose of the choke tube in regular household waste.
- Check with local authorities for appropriate disposal methods for metal products.

Contact Information for Further Support

For any inquiries regarding safety or product-related questions, please contact the manufacturer or an authorized dealer. Ensure that you have the product details ready for assistance.

Please ensure that you keep this instruction guide for future reference and share it with any individuals who may use the Beretta A400 Xcel Multitarget Full C12 OCHP Extended +50mm Choke. Your safety and the safety of others is our priority.
