Introduction

Thank you for choosing the BERETTA SO26/SO3/EELL DT Trigger Plate. This guide provides essential safety instructions to ensure the safe use and handling of your product in compliance with EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the trigger plate for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Store the product in a safe and dry place when not in use.
- If you notice any irregularities during use, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Always handle the trigger plate with care to prevent accidental discharge.
- Ensure that the firearm is unloaded before installing or adjusting the trigger plate.
- Wear appropriate safety gear, such as eye protection, when handling firearms.
- Follow all manufacturer guidelines regarding the compatibility of the trigger plate with your firearm model.
- Avoid using the trigger plate in wet or humid conditions to prevent corrosion.

Instructions for Installation and Usage

1. Installation:

- Read the manufacturer's manual for your specific firearm model to ensure compatibility.
- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger plate (if applicable) according to the manufacturer's instructions.
- Align the BERETTA SO26/SO3/EELL DT Trigger Plate with the designated area on the firearm.
- Securely fasten the trigger plate using the appropriate screws or fasteners provided.
- Check that the trigger plate is firmly in place and operates smoothly.

2. Usage:

- Familiarize yourself with the operation of the trigger plate before using it in the field.
- Always keep your finger off the trigger until you are ready to shoot.
- Regularly check the functionality of the trigger plate during use.
- If the trigger plate becomes unresponsive or shows signs of malfunction, cease use immediately.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and materials.
- Do not dispose of the trigger plate in regular household waste.
- Contact your local waste management authority for proper disposal methods.
