Safety Instruction Guide for BERETTA SO SERIES FOREND IRON LEVER SPRING

Introduction

Thank you for choosing the BERETTA SO SERIES FOREND IRON LEVER SPRING. This guide is designed to provide you with essential safety information and instructions to ensure the safe and efficient use of this product. Please read this guide carefully before using the component.

General Safety Guidelines

- Ensure that the product is compatible with your specific Beretta SO series firearm before installation.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the spring regularly for signs of wear or damage. Replace it if necessary.
- Report any unsafe product incidents or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the BERETTA SO SERIES FOREND IRON LEVER SPRING only as intended for Beretta SO series firearms.
- Avoid using excessive force when installing or operating the forend lever.
- Ensure that the firearm is unloaded before performing any maintenance or installation.
- Wear appropriate safety gear, such as eye protection, when handling firearms.
- Do not modify the spring or any other component of the firearm, as this may compromise safety.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a screwdriver and any other required equipment.

2. Installation:

- Remove the existing forend lever spring, if applicable, by following the manufacturer's instructions.
- Carefully insert the new BERETTA SO SERIES FOREND IRON LEVER SPRING into the designated area of the forend lever assembly.
- Ensure that the spring is seated correctly and securely.

3. Testing:

- Once installed, perform a function check to ensure the forend lever operates smoothly.
- Make sure there are no obstructions or malfunctions before using the firearm.

4. Usage:

- Use the forend lever as intended during firearm operation. Ensure that the lever functions correctly to enhance handling and performance.

Disposal Instructions

- Dispose of any old or damaged springs in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste if it contains materials that may be hazardous.
- Check with local authorities for specific disposal guidelines related to firearm components.
