AR15 GEN. 2 MOD. 2 NONROTATING PIN SET

Safety Instruction Guide

Introduction

Thank you for choosing the AR15 GEN. 2 MOD. 2 NONROTATING PIN SET by KNS Precision. This guide provides essential safety instructions and information to ensure the safe use and installation of your product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that all components are compatible with your firearm model.
- Always follow the manufacturer's instructions for installation and usage.
- Inspect all parts for damage or wear before installation.
- Keep all parts out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling firearm components.
- Do not attempt to modify the pins or links. Any alterations may compromise safety.
- Ensure the firearm is unloaded before beginning any installation or maintenance work.
- Avoid using the product in extreme conditions (e.g., high humidity, extreme temperatures) that may affect performance.
- If you experience any issues during installation or use, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including hex wrenches and the installation tool provided in the kit.
- Ensure your workspace is clean and free from distractions.

2. Installation Steps:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the old hammer and trigger pins if applicable.
- Insert the new hammer pin and trigger pin into their respective positions.
- Attach the lowprofile antirotation links to secure the pins in place.
- Use the retaining screws to secure the links, ensuring they are tightened adequately.
- Doublecheck that all components are properly installed and secured before reassembling the firearm.

3. PostInstallation:

- Conduct a function check of the firearm to ensure proper operation.
- If any issues arise, consult a qualified gunsmith for assistance.

Disposal Instructions

- Dispose of any old or damaged parts in accordance with local regulations.
- Do not dispose of components in regular household waste. Instead, contact local waste management

services for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the AR15 GEN. 2 MOD. 2 NONROTATING PIN SET, please consult the manufacturer's website or customer service for assistance.
