

# AR-15/M16 ENHANCED TAKEDOWN PINS - KNS PRECISION AR15 ENHANCED PIVOT PIN

[Rifle Parts](#) > [Receiver Parts](#) > [Receiver Hardware](#) > [Receiver Pins](#)

Steel, push-button pins give a positive lock that quickly release with finger pressure for easy access to the inside of your AR-15's upper and lower receivers. These Enhanced Pins now have an end cap to ease in pin removal and installation. The cap also prevents debris from entering the internals of the lower and the pin. Three, spring-loaded detent balls hold pins in place and prevent wear or binding in the pivot hole or receiver hole when removed. Pivot Pin replaces the factory front pivot pin. Takedown Pin replaces the rear, factory takedown pin to eliminate the need for a punch or other tools to disengage the pin.

## Attributes

- Name: [KNS PRECISION AR15 ENHANCED PIVOT PIN](#)
- Manufacturer: [KNS PRECISION](#)
- Product no.: 923000057
- Mfr. No.: PBPIVOT250-EN
- Weapon type: AR-15
- Delivery weight: 0.032kg
- Shipping height: 18mm
- Shipping width: 114mm
- Shipping length: 145mm
- UPC: 851876003349

# Safety Instruction Guide for AR15/M16 Enhanced Takedown Pins

## Introduction

Thank you for choosing the AR15/M16 Enhanced Takedown Pins from KNS Precision. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this manual carefully to understand the proper handling, installation, and maintenance of the Enhanced Takedown Pins.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product specifications.
- Always handle firearms and related accessories with care and follow all applicable laws and regulations.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the product for any signs of wear or damage before use. Do not use if damaged.
- Report any unsafe conditions or incidents to the relevant authorities immediately.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Avoid using excessive force when installing or removing the pins. This may cause damage to the pins or the firearm.
- Ensure that the firearm is unloaded and pointed in a safe direction before attempting to install or remove the pins.
- Be aware of your surroundings and ensure that no one is in close proximity when handling the firearm.
- Use proper protective equipment, such as safety glasses, when working with firearms to prevent injury.
- Follow all manufacturer instructions for the firearm to which the pins are being attached.

## Instructions for Installation and Usage

### Installation of Enhanced Takedown Pins

#### 1. Preparation

- Ensure that the firearm is unloaded.
- Gather necessary tools if needed, although the design minimizes tool use.

#### 2. Removing the Factory Pins

- Locate the existing pivot and takedown pins.
- Using a suitable tool, gently push the detent and remove the factory pins from their respective holes.

#### 3. Installing the Enhanced Pins

- Align the new Enhanced Pivot Pin with the pivot hole and gently insert it.
- Ensure that the springloaded detent balls are properly seated to hold the pin in place.
- Repeat the process for the Enhanced Takedown Pin at the rear of the receiver.

#### 4. Final Checks

- Verify that both pins are securely installed and that they move freely without obstruction.
- Check for proper function by operating the firearm's action.

## **Usage of Enhanced Takedown Pins**

- To disengage the pins, simply press the pushbutton and pull the pin out gently.
- Always ensure the firearm is in a safe condition before attempting to remove the pins.

## **Disposal Instructions**

- Dispose of any damaged or worn pins according to local regulations for hazardous materials.
- Do not throw pins in regular household waste. Instead, check with local waste management services for proper disposal methods.

## **Contact Information for Further Support**

For further assistance, please refer to the manufacturer's website or customer service for support regarding your product. Always ensure to have your product details ready for efficient service.

Thank you for your attention to these safety guidelines. Your safety and the safety of those around you is of utmost importance. Enjoy your enhanced experience with the AR15/M16 Enhanced Takedown Pins!
