

# AR-15/M16 ENHANCED TAKEDOWN PINS - KNS PRECISION AR15 ENHANCED TAKEDOWN PIN

[Rifle Parts](#) > [Receiver Parts](#) > [Receiver Hardware](#) > [Receiver Pins](#)

Steel, push-button pins give a positive lock that quickly release with finger pressure for easy access to the inside of your AR-15's upper and lower receivers. These Enhanced Pins now have an end cap to ease in pin removal and installation. The cap also prevents debris from entering the internals of the lower and the pin. Three, spring-loaded detent balls hold pins in place and prevent wear or binding in the pivot hole or receiver hole when removed. Pivot Pin replaces the factory front pivot pin. Takedown Pin replaces the rear, factory takedown pin to eliminate the need for a punch or other tools to disengage the pin.

## Attributes

- Name: [KNS PRECISION AR15 ENHANCED TAKEDOWN PIN](#)
- Manufacturer: [KNS PRECISION](#)
- Product no.: 923000058
- Mfr. No.: PBT250-EN
- Weapon type: AR-15
- Delivery weight: 0.031kg
- Shipping height: 5mm
- Shipping width: 114mm
- Shipping length: 157mm
- UPC: 851876003332

# Safety Instruction Guide for AR15/M16 Enhanced Takedown Pins

## Introduction

Thank you for choosing the KNS Precision AR15 Enhanced Takedown Pins. This guide provides essential safety information and instructions to ensure the safe use and installation of your product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and firearm accessories with care and follow all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the pins for wear or damage before each use.
- Report any unsafe product conditions or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation may lead to malfunction of the firearm.
- Use of damaged pins may cause injury or accidents.
- Ensure that the pins are compatible with your specific model of AR15.

- **Avoiding Hazards:**

- Always ensure the firearm is unloaded before installation or maintenance.
- Do not force the pins if they do not fit easily; check for compatibility.
- Avoid using tools that may damage the pins or the firearm during installation.

- **Audience Specific Warnings:**

- This product is not intended for use by children or individuals without proper training in firearm safety.
- Ensure that only qualified individuals perform installation and maintenance.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your AR15 is completely unloaded.
- Gather the necessary tools, if any, for installation.

### 2. Installation Steps:

- Remove the existing factory front pivot pin and rear takedown pin.
- Take the KNS Precision Enhanced Takedown Pins and align them with the pivot and takedown holes.
- Gently push the pins into place until they are fully seated.
- Ensure that the springloaded detent balls are properly engaged to secure the pins.

### **3. Usage:**

- To remove the pins, press the pushbutton mechanism with your finger to release.
- Ensure that you are in a safe environment when performing any adjustments to your firearm.

### **4. PostInstallation Check:**

- Inspect the installation to confirm that the pins are securely in place.
- Test the functionality by ensuring that the upper and lower receivers operate smoothly.

## **Disposal Instructions**

- Dispose of any damaged or worn pins in accordance with local regulations.
- Do not throw away in regular household waste; check for recycling options for metal products.

## **Contact Information for Further Support**

For safety inquiries or further assistance, please contact the manufacturer directly through their official channels. Ensure you have your product details ready to facilitate support.

Thank you for following these safety instructions. Your safety and the safety of others is paramount. Enjoy using your KNS Precision AR15 Enhanced Takedown Pins responsibly.
