# **Safety Instruction Guide for EXACT EDGE EXTRACTOR MKII, MKIII, MKIV, 10/22® VOLQUARTSEN EXACT EDGE EXTRACTOR**

## **Introduction**

Thank you for choosing the EXACT EDGE EXTRACTOR MKII, MKIII, MKIV, 10/22® VOLQUARTSEN EXACT EDGE EXTRACTOR. This guide provides essential safety instructions to ensure the safe and effective use of your extractor. Please read this guide carefully before use to understand the product's features and safety precautions.

## **General Safety Guidelines**

- Always handle the extractor with care and keep it out of reach of children.
- Ensure that the extractor is used only for its intended purpose.
- Familiarize yourself with the product before use to avoid accidents.
- Regularly inspect the extractor for any signs of wear or damage.
- Store the extractor in a secure location when not in use.
- Report any unsafe product experiences or accidents to the relevant authorities.

## **Specific Safety Precautions for Use**

- The extractor is designed for use with Ruger MKII, MKIII, MKIV, and 22/45 pistols as well as 10/22 and 10/22 Magnum firearms. Ensure compatibility before use.
- Always wear appropriate safety gear, including eye protection, when using the extractor.
- Ensure the firearm is unloaded and pointed in a safe direction before using the extractor.
- Avoid using excessive force when handling the extractor to prevent damage.
- Do not modify the extractor in any way, as this may compromise its safety and effectiveness.
- If you experience difficulty using the extractor, stop and seek assistance rather than forcing it.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing extractor from the firearm, following the manufacturer's instructions.
- Carefully install the EXACT EDGE EXTRACTOR by aligning it with the extractor slot.
- Secure the extractor in place according to the firearm's specifications.

### **2. Usage:**

- When using the extractor, ensure that it is properly seated and engaged with the case head.
- Apply a steady and controlled motion when extracting cases to avoid slipping.
- After use, clean the extractor to remove any debris or residue to maintain its performance.

## **Disposal Instructions**

- Dispose of the extractor according to local regulations for metal products.
- Do not dispose of the extractor in regular household waste.
- If the extractor is damaged or no longer usable, contact your local waste management facility for guidance on proper disposal.

## **Contact Information for Further Support**

For any inquiries or further support regarding the EXACT EDGE EXTRACTOR MKII, MKIII, MKIV, 10/22® VOLQUARTSEN EXACT EDGE EXTRACTOR, please refer to the manufacturer's contact information provided on the packaging or product documentation.

By following these safety instructions, you can ensure a safe and effective experience with your EXACT EDGE EXTRACTOR. Thank you for your attention to safety!
