

M4 CARBINE CS STANDARD SPRING KITS - SPRINCO USA SPRING KIT-STD BUFFER & HD 5-COIL BOLT EXTRACTOR SPRING

[Rifle Parts](#) > [Receiver Parts](#) > [Recoil Parts](#) > [Recoil Springs](#)

Standard Power Buffer Spring. Equivalent spring load to a brand new Mil-Spec M4 Carbine Spring. This spring will perform reliably in any properly configured and maintained 5.56 Carbine, if you wish to maintain the performance of a "fresh" Mil-Spec load spring without concern for replacement. This is the best choice for shooters and purists that wish to maintain the performance of most factory supplied new Mil-Spec springs, but do not wish to be concerned with frequent replacement of same or do not have the time or inclination to seek enhanced performance options. Just consider it as permanent new Mil-Spec spring.

Safety Instructions for M4 Carbine CS Standard Spring Kits SPRINCO USA

Introduction

Thank you for choosing the M4 Carbine CS Standard Spring Kits by SPRINCO USA. This product is designed to enhance the performance of your firearm while ensuring safety during use. It is essential to follow the safety guidelines and instructions provided in this manual to ensure proper operation and maintenance of the spring kit.

General Safety Guidelines

- **Product Safety:** Ensure that all components of the spring kit are used according to the manufacturer's specifications to avoid any potential hazards.
- **Enhanced Recalls:** Stay informed about any product recalls by checking official sources. If a recall occurs, follow the instructions provided for safe return or remedy.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety standards to guarantee the quality and safety of the product.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety and potential hazards.

Specific Safety Precautions for Use

- **Avoid Misuse:** Do not use the spring kit in any way that is not intended or specified by the manufacturer.
- **Inspect Before Use:** Always inspect the spring kit for any signs of damage or wear before installation. Do not use damaged components.
- **Proper Installation:** Follow the installation instructions carefully to ensure that the spring kit functions correctly and safely.
- **Use in Proper Firearm:** Ensure that the spring kit is compatible with your specific firearm model. Using it in an incompatible firearm can lead to malfunctions or injuries.
- **Regular Maintenance:** Perform regular maintenance and inspections on your firearm and the spring kit to ensure safe and reliable performance.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation.

2. Installation:

- Remove the existing buffer spring from your firearm following the manufacturer's guidelines.
- Carefully insert the M4 Carbine CS Standard Buffer Spring into the buffer tube.
- Ensure that the spring is seated correctly and securely in place.
- Reassemble your firearm according to the manufacturer's instructions.

3. Usage:

- After installation, perform a function check to ensure that the firearm operates correctly with the new spring.
- Always follow safe handling practices when operating your firearm, including keeping your finger off the trigger until ready to fire.

4. **PostUsage:**

- After use, clean and inspect the spring kit and firearm to maintain optimal performance.
- Store your firearm and the spring kit in a secure location, away from unauthorized access.

Disposal Instructions

- **Responsible Disposal:** Dispose of any old springs or components in accordance with local regulations. Do not dispose of in regular household waste.
- **Recycling:** If possible, recycle metal components through appropriate recycling programs to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the M4 Carbine CS Standard Spring Kits, please refer to the contact information provided by your retailer or manufacturer. They will be able to assist you with any safety inquiries or productrelated issues.

By following these safety instructions, you can ensure the safe and effective use of the M4 Carbine CS Standard Spring Kits. Thank you for prioritizing safety and responsible firearm use.
