[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Handgun Bases](#)

WEIG-A-TINNY® TAURUS Mini Scope Mount with ""Self Fitting Lug TM"" Patent Pending This Scope Mount is Designed to Attach the MINI Type Red Dot Sights! Such as BURRIS Fast Fire III and Vortex Mini Style Sights Sorry, this mount will not fit the TRACKER Model 17C, 94 or 941 Our NEW Self Fitting Lug TM keeps the center sight lug tight no matter what the sight opening on the revolver is. Our NEW Patent Pending design fits itself when you install the scope mount. A tap on the back of the scope mount seats the lug firmly in your revolvers rear sight notch. Then you simply install the supplied attaching screw. NOTE ABOUT THIS MOUNT: This scope mount does not fit flush in the front on all revolver models. There is a gap in the front on some applications. TAURUS MINI scope mount WEIG-A-TINNY® Remove the rear sight and install this versatile WEIG-A-TINNY® style base, scope mount in just minutes. Uses existing rear sight elevation screw hole. Oversize recoil lug prevents the scope mount from shifting even when shooting full-house, magnum loads. Accepts all Weaver-style attaching points and Picatinny accessories. 2-1/2"" long, available in black or silver, matte anodized finish, weighs 1 ounce. Attaching screw is supplied, mounting screw is 6-40 thread. Fits many TAURUS revolvers with adjustable sights. Your revolver must have the type of rear sight shown in the following photo. Most TAURUS revolvers do. Will not fit any fixed sight models. CAUTION: We do not suggest Red Dot sights weighing over 3.5 ounces for this scope mount.

# WEIGATINNY® Mini Revolver Scope Mount Safety Instructions

## Introduction

Thank you for choosing the WEIGATINNY® Mini Revolver Scope Mount for your Taurus revolver. This guide provides essential safety information and instructions for the proper use and installation of your scope mount. Please read this guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the scope mount is compatible with your specific Taurus revolver model before installation.
- Always handle firearms and accessories with care. Treat every firearm as if it is loaded.
- Keep the scope mount and all accessories out of reach of children and unauthorized users.
- Inspect the scope mount for any signs of damage or wear before each use. Do not use a damaged mount.
- Do not exceed the recommended weight limit for Red Dot sights (3.5 ounces) to prevent potential failure of the mount.
- Always follow the manufacturer's guidelines for the use of your revolver and any attached accessories.

## Specific Safety Precautions for Use

- Ensure the revolver is unloaded before installing or adjusting the scope mount.
- Verify that the rear sight type on your revolver matches the specifications required for the WEIGATINNY® mount.
- Be aware of the gap that may occur at the front of the mount on some revolver models. This is normal but should be monitored.
- Use caution when tapping the scope mount to seat the lug in the rear sight notch. Excessive force may damage the mount or the revolver.
- Avoid using the scope mount with fixed sight models, as it is not designed for such applications.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the revolver is unloaded and safe to handle.
- Gather all necessary tools, including the attaching screw (640 thread) provided with the mount.

### 2. Removing the Rear Sight:

- Carefully remove the rear sight from your Taurus revolver. Follow the manufacturer's instructions for your specific model.

### 3. Installing the WEIGATINNY® Mount:

- Align the scope mount with the existing rear sight elevation screw hole.
- Place the mount on the revolver, ensuring that the selffitting lug is positioned correctly in the rear sight notch.
- Gently tap the back of the scope mount to seat the lug firmly in place.
- Install the attaching screw into the provided hole and tighten securely.

### 4. Final Checks:

- Inspect the installation to ensure it is secure and correctly aligned.

- Verify that the mount does not obstruct any operational parts of the revolver.

#### **5. Using the Scope Mount:**

- Attach your chosen MINI Type Red Dot sight according to the manufacturer's instructions.
- Ensure that the sight is securely mounted and functioning correctly before use.

## **Disposal Instructions**

- Dispose of the WEIGATINNY® Mini Revolver Scope Mount in accordance with local regulations.
- Do not dispose of the mount in regular household waste. Check for recycling options or designated disposal facilities.

## **Contact Information for Further Support**

For any questions or concerns regarding the WEIGATINNY® Mini Revolver Scope Mount, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the WEIGATINNY® Mini Revolver Scope Mount!
