

1911 BULLET PROOF™ SLIDE STOP - SS BULLET PROOF SLIDE STOP, .45 ACP

[Handgun Parts](#) > [Frame Parts](#) > [Slide Catch Parts](#) > [Slide Catches](#)

Reinforced In Critical Areas For Improved Function & Durability

Fully-machined from bar stock, then heat treated and hardened for fail-proof durability. Radiused corners won't catch on holsters or clothing. Thumb pad extends slightly at a 90° angle for increased leverage and faster, more positive engagement. Maximum-diameter pin increases barrel lockup.

Attributes

1911 BULLET PROOF™ SLIDE STOP Safety Instruction Guide

Introduction

Thank you for purchasing the 1911 BULLET PROOF™ SLIDE STOP. This product is designed to enhance the performance of your firearm while ensuring safety during use. Please read this safety instruction guide carefully to understand the proper use, installation, and maintenance of your slide stop.

General Safety Guidelines

- Always follow the basic rules of firearm safety.
- Ensure that the firearm is unloaded when installing or handling the slide stop.
- Use only compatible models (Government, Commander, Officers) for installation.
- Be aware of your surroundings and ensure a safe environment when handling firearms.
- Store the slide stop in a secure location, away from children and unauthorized users.
- Regularly inspect the slide stop for wear and tear. Replace if any damage is observed.

Specific Safety Precautions for Use

- Ensure that your firearm is in good working condition before installing the slide stop.
- Avoid using excessive force when installing the slide stop to prevent damage.
- Do not modify the slide stop or firearm in any way that could compromise safety.
- If you experience any issues with the slide stop, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing slide stop by pushing the pin out from the left side of the frame.
- Align the new slide stop with the frame and insert it into position.
- Push the pin back into place to secure the slide stop.
- Check that the slide stop is properly seated and functions correctly.

2. Usage:

- Familiarize yourself with the thumb pad feature, which provides increased leverage for engagement.
- Practice engaging and disengaging the slide stop in a safe environment to ensure proficiency.
- Regularly check for proper function during routine firearm maintenance.

Disposal Instructions

- Dispose of the slide stop in accordance with local regulations.
- If the slide stop is damaged or no longer in use, consider recycling metal components where possible.
- Do not dispose of any firearm components in regular household waste.

Contact Information for Further Support

For any safety inquiries or issues regarding the 1911 BULLET PROOF™ SLIDE STOP, please contact the manufacturer directly. Ensure you have your product details ready to facilitate assistance.

By adhering to these guidelines, you can ensure safe and effective use of your 1911 BULLET PROOF™ SLIDE STOP. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
