

1911 BULLET PROOF™ SLIDE STOP - BLUE BULLET PROOF SLIDE STOP, .38S/9MM

[Handgun Parts](#) > [Frame Parts](#) > [Slide Catch Parts](#) > [Slide Catches](#)

Reinforced In Critical Areas For Improved Function & Durability

Fully-machined from bar stock, then heat treated and hardened for fail-proof durability. Radiused corners won't catch on holsters or clothing. Thumb pad extends slightly at a 90° angle for increased leverage and faster, more positive engagement. Maximum-diameter pin increases barrel lockup.

Safety Instruction Guide for 1911 BULLET PROOF™ SLIDE STOP BLUE BULLET PROOF SLIDE STOP, .38S/9MM

Introduction

Thank you for choosing the 1911 BULLET PROOF™ SLIDE STOP. This product is designed for reliability and performance. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully before installation and use.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the slide stop.
- Inspect the slide stop for any visible damage or defects before use.
- Use the slide stop only with compatible 1911 models: Government, Commander, and Officers.
- Keep the product out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm accessories and modifications.
- Report any unsafe product conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not use the slide stop if it shows signs of wear or damage.
- Ensure that the firearm is in a safe condition before attempting to engage or disengage the slide stop.
- Be mindful of your surroundings and ensure that you are in a safe environment when handling firearms.
- Avoid using the slide stop with ammunition that is not specified for the compatible calibers: .38/357 Caliber (.357.359) and 9 mm (.355.356).
- If you experience difficulty with engagement or disengagement, do not force the slide stop. Consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing slide stop from the firearm by pushing out the retaining pin.
- Align the new BULLET PROOF™ slide stop with the slide stop hole.
- Insert the slide stop into the hole and secure it with the retaining pin.
- Check that the slide stop is properly engaged and functions smoothly.

2. Usage:

- To engage the slide stop, pull back the slide and press the thumb pad at a 90° angle for increased leverage.
- To disengage the slide stop, ensure the firearm is pointed in a safe direction and press the thumb pad again.
- Regularly inspect the slide stop during routine maintenance to ensure it remains in good working condition.

Disposal Instructions

- Dispose of the slide stop in accordance with local regulations regarding firearm accessories.
- Do not dispose of the product in regular household waste.

- Consider recycling options or contacting a local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions regarding the product or safety concerns, please reach out to your local authorized dealer or manufacturer representative. Ensure you have the product details and any relevant information ready for assistance.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our highest priority.
