

# 1911 ULTRALIGHT MATCH TRIGGER - WILSON COMBAT SOLID FLAT ULTRALIGHT MATCH TRIGGER

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

## Light Weight For a Smooth Pull & Ultra-Crisp Letoff; Shoes To Fit Any Finger Size

The same high-quality match-grade trigger used by the Wilson Custom Shop in its famous custom 1911 autos. Weighs a mere .2 oz. (6g) to help ensure a consistent trigger pull and ultra-crisp letoff for competition or tactical pistols. Solid shoe is precision machined from high-grade aluminum alloy, with clean, well-defined serrations on the face for positive finger contact and neatly radiused edges that won't abrade finger; attractive, low-luster finish. Three-hole Skeletonized model has long shoe with curved face; Solid model available with Curved face in Short, Medium, and Long lengths or Flat face. Customize overtravel to your pistol with the adjustable overtravel screw (hex wrench included). Stirrup is made of heat-treated stainless steel to minimize unwanted flex; polished, high-gloss finish ensures minimal friction with frame. Minor fitting may be required.

# Safety Instruction Guide for the 1911 Ultralight Match Trigger

## Introduction

Thank you for choosing the 1911 Ultralight Match Trigger by Wilson Combat. This product is designed for precision and performance in competitive and tactical shooting. It is essential to follow the safety instructions outlined in this guide to ensure safe and effective use of the trigger.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the trigger and firearm securely to prevent unauthorized access.
- Regularly inspect the trigger and firearm for any signs of wear or damage.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always use appropriate personal protective equipment, including eye and ear protection, when shooting.

## Specific Safety Precautions for Use

- Ensure that the trigger is compatible with your firearm model (Government, Commander, Officers).
- Only use the trigger with firearms that are in good working condition.
- Avoid modifying the trigger or firearm beyond manufacturer specifications.
- Be cautious when adjusting the overtravel screw; make small adjustments and test the trigger pull to ensure safety.
- Do not use the trigger if it has been subjected to excessive force or if it shows signs of damage.
- Keep the trigger and firearm clean and free from obstructions to prevent malfunction.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger from your 1911 firearm according to the manufacturer's instructions.
- Install the 1911 Ultralight Match Trigger by following these steps:
  - Insert the solid shoe into the trigger slot.
  - Secure the stirrup to the trigger mechanism.
  - Tighten all screws to manufacturer specifications.
  - Adjust the overtravel screw as necessary, using the included hex wrench.
- Ensure that the trigger is functioning correctly before use.

### 2. Usage:

- Practice proper shooting techniques and maintain control of your firearm at all times.
- Test the trigger pull before engaging in live fire to ensure it meets your preferences.
- Regularly check the trigger for proper function and any signs of wear.

## Disposal Instructions

- Dispose of the trigger in accordance with local regulations regarding metal recycling.
- Ensure that the trigger is not disposed of in a manner that could pose a risk to public safety.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's contact information provided with the product packaging.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of the 1911 Ultralight Match Trigger. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important guidelines.
