## Light Weight For a Smooth Pull & Ultra-Crisp Letoff; Shoes To Fit Any Finger Size

The same high-quality match-grade trigger used by the Wilson Custom Shop in its famous custom 1911 autos. Weighs a mere .2 oz. (6g) to help ensure a consistent trigger pull and ultra-crisp letoff for competition or tactical pistols. Solid shoe is precision machined from high-grade aluminum alloy, with clean, well-defined serrations on the face for positive finger contact and neatly radiused edges that won't abrade finger; attractive, low-luster finish. Three-hole Skeletonized model has long shoe with curved face; Solid model available with Curved face in Short, Medium, and Long lengths or Flat face. Customize overtravel to your pistol with the adjustable overtravel screw (hex wrench included). Stirrup is made of heat-treated stainless steel to minimize unwanted flex; polished, high-gloss finish ensures minimal friction with frame. Minor fitting may be required.

# Safety Instruction Guide for 1911 Ultralight Match Trigger Wilson Combat

## Introduction

Thank you for choosing the 1911 Ultralight Match Trigger from Wilson Combat. This product is designed to enhance your shooting experience with its highquality features. However, it is essential to follow safety guidelines to ensure safe use and optimal performance.

## General Safety Guidelines

- Ensure that you are familiar with the operation and handling of firearms before using this product.
- Always treat firearms as if they are loaded, even if you believe they are not.
- Keep the trigger area clean and free of obstructions to prevent unintended discharge.
- Store the trigger and firearm in a secure location, away from children and unauthorized users.
- Regularly inspect the trigger for wear or damage. Do not use if any issues are found.
- Follow all local laws and regulations regarding firearm modifications and usage.

## Specific Safety Precautions for Use

- Only use the 1911 Ultralight Match Trigger with compatible 1911 models: Government, Commander, and Officers.
- Ensure that the trigger is installed by a qualified gunsmith to avoid improper installation that may lead to malfunction.
- Be aware of the adjustable overtravel screw; improper adjustment can affect trigger performance and safety.
- Avoid using excessive force when operating the trigger, as this can lead to unintended consequences.
- If you experience any unusual behavior from your firearm after installation, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger from your 1911 by following the manufacturer's instructions.
- Install the 1911 Ultralight Match Trigger by aligning it with the trigger mechanism.
- Use the provided hex wrench to adjust the overtravel screw to your preference.
- Ensure that the trigger is securely fitted and operates smoothly.

### 2. Usage

- Before firing, conduct a function check to ensure the trigger operates correctly.
- Practice safe handling and shooting techniques at all times.
- Regularly maintain your firearm and trigger to ensure optimal performance.

## Disposal Instructions

- Dispose of the 1911 Ultralight Match Trigger in accordance with local regulations.
- If the trigger is damaged or no longer functional, do not attempt to repair it; instead, dispose of it responsibly.
- Consider recycling materials where possible, following your local waste management guidelines.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety and usage, please consult the manufacturer or a qualified professional. It is essential to have access to reliable support when dealing with firearm modifications.

## **Conclusion**

Following these safety instructions will help ensure a safe and enjoyable experience with your 1911 Ultralight Match Trigger. Always prioritize safety and compliance with local laws and regulations. Thank you for your attention to these guidelines.
