

# 1911 ULTRALIGHT MATCH TRIGGER - WILSON COMBAT SOLID CURVED ULTRALIGHT MATCH TRIGGER, LONG

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

## Light Weight For a Smooth Pull & Ultra-Crisp Letoff; Shoes To Fit Any Finger Size

The same high-quality match-grade trigger used by the Wilson Custom Shop in its famous custom 1911 autos. Weighs a mere .2 oz. (6g) to help ensure a consistent trigger pull and ultra-crisp letoff for competition or tactical pistols. Solid shoe is precision machined from high-grade aluminum alloy, with clean, well-defined serrations on the face for positive finger contact and neatly radiused edges that won't abrade finger; attractive, low-luster finish. Three-hole Skeletonized model has long shoe with curved face; Solid model available with Curved face in Short, Medium, and Long lengths or Flat face. Customize overtravel to your pistol with the adjustable overtravel screw (hex wrench included). Stirrup is made of heat-treated stainless steel to minimize unwanted flex; polished, high-gloss finish ensures minimal friction with frame. Minor fitting may be required.

# Safety Instruction Guide for the 1911 Ultralight Match Trigger

## Introduction

Thank you for choosing the 1911 Ultralight Match Trigger by Wilson Combat. This product is designed to enhance your shooting experience with precision and control. To ensure your safety and the safety of others, please read this safety instruction guide carefully before use.

## General Safety Guidelines

- Always treat the trigger as if it is loaded, even when it is not.
- Ensure that the firearm is in a safe condition before installing or handling the trigger.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Store the trigger in a secure location, out of reach of children and unauthorized users.
- Regularly check for any wear or damage to the trigger and firearm to ensure safe operation.
- Report any unsafe products or accidents to the relevant authorities and check for recall updates.

## Specific Safety Precautions for Use

### • Installation Precautions:

- Ensure that the firearm is unloaded before attempting to install the trigger.
- Use appropriate tools and follow the installation instructions carefully to avoid injury.

### • Usage Precautions:

- Do not exceed the recommended overtravel settings.
- Ensure the trigger is properly adjusted to avoid unintentional discharges.
- Always use the trigger in a controlled environment, free from distractions.

### • Maintenance Precautions:

- Regularly clean and inspect the trigger and firearm for any signs of wear.
- Do not attempt to modify the trigger beyond manufacturer specifications.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your firearm is unloaded.
- Use a hex wrench (included) to adjust the overtravel screw according to your preference.
- Remove the existing trigger from your firearm following the manufacturer's instructions.
- Install the 1911 Ultralight Match Trigger by aligning it with the trigger housing and securing it in place.
- Check that the trigger operates smoothly and does not bind.

### 2. Usage:

- Familiarize yourself with the trigger's operation before using it in a live environment.
- Practice safe firearm handling at all times.
- Ensure proper finger placement on the trigger for optimal control and safety.

## **Disposal Instructions**

- Dispose of the trigger in accordance with local regulations for hazardous materials.
- If the trigger is damaged or no longer usable, do not attempt to repair it. Dispose of it responsibly.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or installation, please refer to the manufacturer's website or contact your local dealer.

By following these guidelines, you will help ensure a safe and enjoyable experience with your 1911 Ultralight Match Trigger. Thank you for prioritizing safety and responsible firearm use.
