

AR-15/M16 TACTICAL TRIGGER UNIT - WILSON COMBAT TR-TTU-M2 TACTICAL TRIGGER UNIT

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Match-Grade Pull From A Rugged, Reliable Drop-In Module

Drop-in trigger module fits any mil-spec small-pin AR-15 and delivers a light, superbly crisp trigger pull right from the box, with no adjustment or fine-tuning. Crisp, 4-lb. pull is safe enough for tactical operations and combat, yet light enough to ensure an ultra-clean break that's closer to a bolt action than a typical tactical rifle. Exceptionally short, positive reset gets you back on target and ready to take the next shot almost instantly. Unique hammer geometry keeps weight to a minimum for ultra-fast lock time, yet provides plenty of kick to ensure reliable ignition, even on hard military primers. A secondary "rescue" sear grabs the hammer if the primary sear fails when the weapon is dropped or severely jarred—meets military specifications for drop safety. CNC-machined, hardened tool steel hammer, sear, and trigger body with precision-ground contact surfaces are built to run hard in competition or combat, all contained in the rugged machined aluminum housing. TR-TTU - Single-stage pull has zero take-up and an ultra-clean break. TR-TTU-M2 - "Semi" two-stage, match-grade trigger has an abbreviated initial stage that establishes sear engagement for safe, reliable operation in high-stress tactical environments, followed by a clean second-stage release. TR-TTU-3G- Wilson Combat engineers have enhanced the TTU-3G trigger with a smooth, rolling, creep-free 3.5-4# break that is ideal for shooting rapid double-taps on the move from your high-performance AR-15. The 3.5# - 4# pound pull breaks with the extreme smoothness of finely tuned target-pistol trigger and has tactile feedback that gives a shooter the confidence to prep the trigger face during quick target transitions. The TTU-3G also has an enhanced, lightning-fast trigger reset that will make fast follow up shots a breeze and eliminate "trigger freeze" during the heat of competition or tactical shooting.

Attributes

- Name: [WILSON COMBAT TR-TTU-M2 TACTICAL TRIGGER UNIT](#)
- Manufacturer: [WILSON COMBAT](#)
- Product no.: 965000088
- Mfr. No.: TR-TTU-M2
- Style: Match Grade
- Weapon type: AR .308,AR-15
- Delivery weight: 0.091kg
- Shipping height: 36mm
- Shipping width: 84mm
- Shipping length: 168mm
- UPC: 874218005146

Item details

Made in USA

Safety Instruction Guide for AR15/M16 Tactical Trigger Unit (Wilson Combat TRTTUM2)

Introduction

Thank you for choosing the AR15/M16 Tactical Trigger Unit by Wilson Combat. This guide provides essential safety information and instructions to ensure the safe use and installation of your trigger unit. Please read this manual carefully before use.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use in accordance with EU safety regulations. Always ensure that you are using it as intended.
- **Enhanced Recalls:** In the event of a safety recall, you will receive standardized notices and remedies at no cost if the product is deemed dangerous.
- **Online Shopping:** If purchased online, you are entitled to the same safety protections as when buying in a physical store.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure it is kept out of reach of minors.
- **EU Contact Point:** For safety inquiries, please refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Stay informed about any updates regarding unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Read the Manual:** Always read and understand this manual before using the trigger unit.
- **Check Compatibility:** Ensure that your firearm is compatible with the trigger unit. This trigger is designed for milspec smallpin AR15s.
- **Inspect Before Use:** Before installation, inspect the trigger unit for any signs of damage or wear.
- **Use Proper Tools:** Use the appropriate tools for installation to avoid damaging the trigger unit or the firearm.
- **Avoid Modifications:** Do not modify the trigger unit in any way. Modifications can compromise safety and functionality.
- **Handle with Care:** Always handle the trigger unit and firearm carefully to prevent accidental discharge.
- **Store Safely:** When not in use, store the trigger unit and firearm in a secure location to prevent unauthorized access.

Instructions for Installation and Usage

1. Prepare for Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a punch tool and a hammer.

2. Remove the Old Trigger:

- Follow the manufacturer's instructions to safely remove the existing trigger from your AR15.

3. Install the Trigger Unit:

- Insert the TRTTUM2 trigger module into the trigger housing.
- Align the trigger and hammer pins with the holes in the lower receiver.

- Use the punch tool to carefully drive the pins into place, ensuring they are secure.

4. **Check Functionality:**

- After installation, check the trigger's functionality by performing a function check.
- Ensure that the trigger pull is smooth and that the safety mechanism functions correctly.

5. **Final Inspection:**

- Inspect the installation to ensure all components are secure and functioning as intended.
- Store your firearm safely and securely.

Disposal Instructions

- **Disposal of the Trigger Unit:** When disposing of the trigger unit, follow local regulations for the disposal of firearms and firearm components. Ensure that the trigger unit is rendered inoperable before disposal.
- **Environmental Considerations:** Do not dispose of the trigger unit in regular household waste. Check with local authorities for designated disposal sites for hazardous materials.

Contact Information for Further Support

For any further inquiries or support regarding the AR15/M16 Tactical Trigger Unit, please refer to the designated EU contact point associated with this product.

Thank you for your attention to these safety guidelines. Enjoy the enhanced performance of your Wilson Combat Tactical Trigger Unit, and always prioritize safety.
