# Safety Instruction Guide for 1911 G10 Grips Wilson Combat Compact

## Introduction

Thank you for choosing the 1911 G10 Grips Wilson Combat Compact. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is suitable for your specific model of 1911 pistol.
- Inspect the grips for any damage before installation. Do not use if damaged.
- Always handle your firearm with care, following all safety protocols.
- Keep the grips and firearm out of reach of children and unauthorized users.
- Report any unsafe conditions or incidents related to this product to the appropriate authorities.
- Stay informed about any product recalls or safety alerts via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Ambidextrous Safety Cut:** Ensure that the safety mechanism is functioning correctly before use. The grip is designed for ambidextrous use, but familiarity with your firearm's controls is essential.
- **Magazine Release Scallop:** Be cautious when releasing the magazine. Ensure that your finger is not on the trigger when performing this action.
- **Beveled or Flat Bottom:** Understand the grip style you have chosen. The traditional beveled bottom may affect how you handle the firearm. Practice with the grips to ensure comfort and safety.
- **Material Safety:** The grips are made of G10 composite, which is durable but may be affected by extreme temperatures. Avoid exposing them to extreme heat or cold.

## Instructions for Installation and Usage

### 1. Installation:

- Gather necessary tools: a screwdriver suitable for your grip screws.
- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing grips by unscrewing them carefully.
- Align the new G10 grips with the grip frame of your pistol.
- Secure the grips using the provided screws, ensuring they are snug but not overtightened to avoid damage.

### 2. Usage:

- Once installed, perform a function check of your firearm to ensure all components work correctly.
- Practice handling your firearm with the new grips in a safe environment before using it in a live situation.
- Regularly inspect the grips for wear and tear, especially after extensive use.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the grips become damaged beyond use, follow local guidelines for disposing of composite materials.
- Do not dispose of the grips in a manner that could pose a risk to the environment or public safety.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of your 1911 G10 Grips Wilson Combat Compact, please refer to your local distributor or retailer for assistance. Ensure you have your product details ready for a more efficient response.

Thank you for your attention to these safety guidelines. Your safety and the safe operation of your firearm are of utmost importance.
