# Wilson Combat 1911 Complete Spring Kits Safety Instructions

## Introduction

Thank you for choosing the Wilson Combat 1911 Complete Spring Kits. These kits provide all the necessary springs to rejuvenate your 1911 or complete your build. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that all installations and modifications are performed by a qualified gunsmith or experienced individual.
- Always follow local laws and regulations regarding firearm modifications and ownership.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect all components for wear or damage before use.
- If you notice any irregularities or issues, discontinue use immediately and consult a professional.

## Specific Safety Precautions for Use

- Always treat your firearm as if it is loaded, even when you believe it to be unloaded.
- Use safety glasses when installing or handling springs to protect your eyes from potential injury.
- Be cautious of spring tension; springs can eject unexpectedly and cause injury.
- Ensure that the firearm is pointed in a safe direction at all times during installation or handling.
- Do not attempt to modify or alter the springs beyond their intended use.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded and the magazine is removed.
- Gather all necessary tools and materials for the installation.

### 2. Installation Steps

#### ◦ Recoil Spring:

- Remove the old recoil spring by disassembling the slide and barrel.
- Install the new recoil spring, ensuring it is properly seated in the guide rod.

#### ◦ Firing Pin Spring:

- Remove the firing pin from the slide.
- Replace the old firing pin spring with the new one, ensuring it is correctly positioned.

#### ◦ Hammer Spring:

- Remove the hammer from the frame.
- Replace the old hammer spring with the new one, making sure it is securely in place.

#### ◦ Mag Catch Spring, Sear Spring, Plunger Tube Spring:

- Follow similar procedures to replace these springs, ensuring each is installed correctly.

### 3. Final Checks

- After installation, reassemble the firearm according to the manufacturer's instructions.
- Perform a function check to ensure proper operation of all components.
- Store the firearm in a safe location when not in use.

## Disposal Instructions

- Dispose of old springs and components in accordance with local regulations.
- Do not dispose of springs in general waste; consider recycling options where available.
- If unsure about disposal methods, contact local waste management authorities for guidance.

## Contact Information for Further Support

For any questions or concerns regarding the Wilson Combat 1911 Complete Spring Kits, please consult a qualified gunsmith or contact the manufacturer's customer service. Ensure you have the product information readily available for faster assistance.

By following these safety instructions, you can enjoy the benefits of your Wilson Combat 1911 Complete Spring Kits while ensuring a safe experience. Thank you for your attention to safety.
