Safety Instruction Guide for the 92/96 Oversized Magazine Release

Introduction

Thank you for choosing the 92/96 Oversized Magazine Release by Wilson Combat. This product is designed to enhance your shooting experience by allowing easy magazine release under stress. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure the firearm is unloaded before installing or handling the magazine release.
- Keep the magazine release and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the magazine release for any signs of wear or damage before use.
- Do not modify the magazine release or any other firearm components beyond manufacturer specifications.
- Be aware of your surroundings and ensure a safe shooting environment at all times.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- This product is designed for righthanded shooters and is installed on the left side of the pistol.
- Ensure that the magazine release is securely installed before using the firearm.
- Avoid using excessive force when pressing the magazine release to prevent damage to the firearm.
- If you experience any difficulty in operation, discontinue use and consult a qualified gunsmith.
- Always maintain a proper grip on the firearm to prevent accidental discharge.

Instructions for Installation and Usage

Installation

1. Ensure the firearm is completely unloaded and pointed in a safe direction.
2. Remove the existing magazine release button from the firearm, taking care to retain any bushings and spring.
3. Align the oversized magazine release with the mounting hole on the left side of the pistol.
4. Reinsert your original bushings and spring into the oversized magazine release.
5. Secure the magazine release in place, ensuring it is fully seated.
6. Test the magazine release to confirm it operates smoothly without any obstruction.

Usage

- To release the magazine, press the oversized checkered pad with your thumb.
- Practice using the magazine release in a safe environment to familiarize yourself with its operation.
- Always ensure that the firearm is pointed in a safe direction when releasing the magazine.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearms and accessories.
- Avoid disposing of the magazine release in regular household waste.
- If the product is damaged or no longer in use, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product support, please consult your local firearms dealer or manufacturer's representative. It is important to have access to professional advice for any concerns or questions about the product.

By following these safety guidelines and instructions, you can enhance your shooting experience while ensuring compliance with safety regulations. Thank you for your attention to these important safety measures.
