

AR-15 MUZZLE BRAKE Q-COMP - WILSON COMBAT MUZZLE BRAKE Q-COMP 1/2-28 STEEL BLACK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

The Wilson Combat Q-Comp has been designed by their compensator experts to greatly enhance recoil control in rapid fire without the harsh blast and flash that other AR-15 muzzle devices exhibit. The Q-Comp is a hybrid Ar-15 brake/compensator that has been tuned to minimize the side-blast and concussion compared to other muzzle devices on the market. The exclusive Wilson Combat design displays almost zero muzzle flash yet retains excellent vertical and rearward recoil reduction with all calibers. The slotted expansion chamber design of the Q-Comp has no prongs or tines to break off or snag and is Melonite QPQ coated alloy steel for maximum durability and corrosion resistance. The Q-Comp is easily installed on your AR rifle, and the included crush washer eliminates the need for a shim kit. 1/2-28 TPI threads with an internal bore diameter of .375" to work with most 5.56 (standard USGI thread pitch), some 300 BLK and calibers up to 9mm Luger. 5/8-24 TPI threads with an internal bore diameter of .375" for most 6.8, most .300 and .308 rifles, and some 9mm (Wilson AR-9). 11/16-24 TPI threads with an internal bore diameter of .485" for Wilson Combat SOCOM rifles and some other aftermarket large caliber AR's.

Safety Instruction Guide for Wilson Combat QComp Muzzle Brake

Introduction

Thank you for choosing the Wilson Combat QComp Muzzle Brake. This product has been designed to enhance recoil control and reduce muzzle flash while firing. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that the muzzle brake is installed correctly before use.
- Use only compatible ammunition as specified for your firearm.
- Keep the muzzle brake and firearm out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when shooting.
- Regularly inspect the muzzle brake for any signs of wear or damage.
- In case of any malfunction, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Ensure that the firearm is pointed in a safe direction at all times.
- Do not attempt to modify or alter the muzzle brake in any way.
- Avoid using the muzzle brake with ammunition that exceeds the specified caliber limitations.
- Be aware of the surroundings and ensure that there are no obstructions or hazards in the shooting area.
- Do not use the muzzle brake in confined spaces without proper ventilation.
- Always follow the manufacturer's recommendations for maintenance and cleaning.

Instructions for Installation and Usage

Installation Instructions

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Muzzle Device:** If applicable, remove the existing muzzle device using appropriate tools.
3. **Clean Threads:** Clean the threads of the firearm's muzzle to remove any debris or residue.
4. **Install Crush Washer:** Place the included crush washer onto the muzzle.
5. **Screw on QComp:** Align the QComp with the threads and screw it onto the muzzle. Handtighten securely.
6. **Final Check:** Ensure that the QComp is properly aligned and securely attached.

Usage Instructions

- Before each use, check the QComp for any signs of damage or looseness.
- When firing, maintain a firm grip on the firearm to maximize recoil control.
- After firing, allow the QComp to cool down before handling, as it may become hot.

Disposal Instructions

- Dispose of the muzzle brake in accordance with local regulations regarding metal and firearm accessories.
- Do not throw away with regular household waste.
- If the product is damaged or no longer functional, consult local authorities for proper disposal methods.

Contact Information for Further Support

For further assistance or inquiries regarding the Wilson Combat QComp Muzzle Brake, please consult the manufacturer's website or contact their customer support.

Thank you for your attention to these safety guidelines. Your safety and the safety of those around you are of utmost importance.
