WCP320 Grip Module for Sig Sauer P320 Compact Safety Instructions

Introduction

Thank you for choosing the Wilson Combat WCP320 Grip Module for your Sig Sauer P320 Compact. This product is designed to enhance your shooting experience and improve your control over the firearm. To ensure your safety and the safety of others, please read this manual carefully before using the grip module.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store firearms and ammunition securely and out of reach of children.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a clear shooting area.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Ensure that the grip module is compatible with your specific model of Sig Sauer P320 Compact. This product is not compatible with California versions of the SIG SAUER P320.
- Inspect the grip module for any damage or defects before installation. Do not use if damaged.
- Do not modify the grip module in any way. Unauthorized modifications may compromise safety and performance.
- Use only factory SIGSAUER magazines and components with this grip module.
- Be aware of the manual safety feature. Ensure it is engaged when the firearm is not in use.
- If you experience any issues with the grip module, discontinue use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and the magazine is removed.
- Remove the factory grip module according to the manufacturer's instructions.
- Align the Wilson Combat WCP320 Grip Module with the frame of the firearm.
- Securely attach the grip module, ensuring all components fit snugly.
- Install the factory SIGSAUER magazine release, spring, and lock as per the original configuration.

2. Usage:

- Before firing, ensure the grip module is securely attached and the manual safety is in the appropriate position.
- Practice handling the firearm with the new grip module in a safe environment to become accustomed to its feel and functionality.
- Regularly inspect the grip module for wear and tear, particularly the grip traction and texture.

Disposal Instructions

- Dispose of the grip module in accordance with local regulations for plastic waste.
- Do not dispose of the grip module in regular household waste.

- Check with local authorities for proper disposal methods for polymer products.
