# WCP320 Magazine Release Spring & Stop Kit Safety Instructions

## Introduction

Thank you for choosing the WCP320 Magazine Release Spring & Stop Kit by Wilson Combat. This product is designed to enhance the functionality of your Sig P320 model handgun. Please read this safety instruction guide thoroughly to ensure safe and proper use of the product.

## General Safety Guidelines

- Ensure that the firearm is unloaded before beginning any installation or maintenance work.
- Always wear appropriate safety gear, such as eye protection, when handling firearms.
- Store all firearm accessories, including this kit, out of reach of children and unauthorized users.
- Familiarize yourself with your firearm's manual and safety features before using this kit.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Only use this kit with the Sig P320 model handgun and compatible frames.
- Inspect the magazine release spring and stop for any signs of damage before installation.
- Do not attempt to modify or alter the components of this kit.
- Ensure that the magazine catch stop is securely installed before using the firearm.
- If you experience any malfunctions or issues with the magazine release after installation, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is completely unloaded.
- Gather necessary tools, such as a screwdriver, for installation.

### 2. Installation Steps

- Remove the existing magazine catch stop from the firearm.
- Install the new Sig Sauer factory magazine catch stop included in this kit.
- Insert the Wilson Combat enhanced magazine catch spring into the appropriate location.
- Ensure both components are seated correctly and securely.

### 3. Usage

- Test the magazine release functionality with an unloaded magazine.
- Confirm that the magazine catch operates smoothly and securely holds the magazine in place.
- Regularly check the installation for any signs of wear or loosening.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If you need to dispose of the magazine release spring and stop, follow local electronic waste disposal guidelines, as some components may be considered hazardous.
