# 1911 "FACTORY PLUS" BARREL LINK PINS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the 1911 "FACTORY PLUS" Barrel Link Pins. This product is designed for building a 1911 Auto or restoring a firearm to factory specifications. To ensure your safety and the proper functioning of your firearm, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Keep firearms pointed in a safe direction at all times.
- Store firearms securely, out of reach of children and unauthorized users.
- Use only the correct parts and tools for installation and maintenance.
- Regularly inspect your firearm for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before beginning any installation or maintenance work.
- Wear appropriate safety gear, including eye protection, when handling or working on firearms.
- Avoid using excessive force when installing or removing the barrel link pins to prevent damage.
- Do not modify the barrel link pins or any other parts of the firearm.
- Keep the working area clean and free from distractions during installation.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and all ammunition is removed from the vicinity.
- Gather all necessary tools and parts for installation.

### 2. Installation Steps:

- Remove the slide and barrel from the frame of the 1911 Auto as per the manufacturer's instructions.
- Locate the existing barrel link and pin.
- Remove the old barrel link pin (B) carefully using a suitable tool.
- Insert the new 1911 "FACTORY PLUS" Barrel Link Pin (B) into the barrel link.
- Ensure the pin is securely in place and properly aligned.
- Reassemble the firearm in the reverse order of disassembly.

### 3. PostInstallation Check:

- Conduct a thorough inspection of the firearm to ensure all parts are correctly installed.
- Perform a function check to confirm that the firearm operates smoothly.

## Disposal Instructions

- Dispose of any old or unused parts in accordance with local regulations.
- Do not dispose of firearms or firearm parts in regular waste. Consult local authorities for proper disposal.
