

1911 RECOIL SPRING GUIDE - 1-PIECE GOVERNMENT ROD WITH REVERSE PLUG

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Spring Guide Rods](#)

Eliminate Spring Kink & Bind; One-& Two-Piece Styles

With a full-length guide rod in place giving no chance for recoil spring bind, a 1911 will chamber, cycle and extract more reliably. One-piece style available for Government/Gold Cup and Commander; Two-piece for Government/Gold Cup in both standard full-length and long slide for pistols equipped with partial or full-style compensators. Reverse Plug model fits Govt. length slides altered to accept tapered sleeve bushing. These are for standard recoil springs only, not Flat Wire Springs.

Safety Instruction Guide for 1911 Recoil Spring Guide 1Piece Government Rod with Reverse Plug

Introduction

Thank you for choosing the 1911 Recoil Spring Guide 1Piece Government Rod with Reverse Plug. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only with compatible models (Government/Gold Cup and Commander).
- Always inspect the recoil spring guide rod for signs of damage or wear before use.
- Use only standard recoil springs with this guide rod; do not use Flat Wire Springs.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or removing the recoil spring guide rod.
- Follow the manufacturer's instructions for firearm maintenance and operation.
- Avoid using excessive force during installation, as this may damage the product or the firearm.
- Do not modify the recoil spring guide rod or attempt to use it in a manner not intended by the manufacturer.
- If you experience any issues with the product, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure that your firearm is completely unloaded.
- Gather necessary tools (if any) for installation.

2. Installation

- Remove the existing recoil spring guide rod from your firearm.
- Carefully insert the 1911 Recoil Spring Guide 1Piece Government Rod into the guide rod channel of your firearm.
- Ensure that the rod is seated properly and securely.
- Attach the reverse plug to the end of the guide rod, ensuring a snug fit.

3. Usage

- After installation, check the firearm's operation by cycling the action several times without ammunition.
- Ensure that the recoil spring is properly seated and that there is no binding.
- Regularly inspect the recoil spring guide rod for wear and replace it if necessary.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is no longer usable, consider recycling metal components where possible.

- Do not dispose of the product in household waste.

Contact Information for Further Support

For any questions or concerns regarding the product or safety guidelines, please contact the manufacturer's customer support. Ensure that you have your purchase details available for reference.

Thank you for prioritizing safety while using the 1911 Recoil Spring Guide 1Piece Government Rod with Reverse Plug. Your diligence helps ensure a safe and enjoyable experience.
