

1911 DROP-IN BARREL & BUSHING - DROP-IN BARREL

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

You get the increased accuracy of Wilson's forged, button rifled barrels and machined bushings. Gunsmithing installation recommended for bushing. Barrel hood must be narrowed for installation on Colt "Enhanced" and Gold Cup. The factory is no longer installing the bushing on this item, they recommend gunsmith installation on their barrels.

1911 DropIn Barrel & Bushing Safety Instruction Guide

Introduction

Thank you for choosing the 1911 DropIn Barrel & Bushing. This product is designed to enhance the accuracy of your firearm. However, it is essential to follow safety guidelines and installation instructions to ensure safe and effective use. This guide provides comprehensive safety instructions in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle firearms with care and responsibility.
- Ensure that your firearm is unloaded before installation or maintenance.
- Keep the product out of reach of children and vulnerable individuals.
- Use only compatible firearms as specified in the product description.
- Regularly inspect the barrel and bushing for wear or damage before use.
- Always follow local laws and regulations regarding firearm modifications and usage.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure proper training and knowledge of firearms before using this product.
- Use protective eyewear when installing or using the barrel and bushing.
- Avoid using the firearm in wet or humid conditions to prevent rust and corrosion.
- Do not attempt to modify or alter the barrel or bushing beyond the manufacturer's specifications.
- If you notice any unusual sounds or performance issues while using the firearm, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure you have the necessary tools for installation, including a gunsmithing toolset.
- Read all instructions thoroughly before beginning the installation process.

2. Installation Steps

- Remove the factory barrel and bushing from your 1911 firearm according to the manufacturer's instructions.
- Install the new dropin barrel into the slide, ensuring it is seated properly.
- Narrow the barrel hood as necessary for installation on Colt "Enhanced" and Gold Cup models.
- Place the bushing into the slide and ensure it fits securely.
- It is recommended to have a qualified gunsmith perform this installation to guarantee safety and functionality.

3. PostInstallation Checks

- After installation, check the fit and function of the barrel and bushing.
- Ensure that the firearm cycles properly and there are no obstructions.
- Conduct a test fire in a safe and controlled environment to verify performance.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling guidelines.
- If the product becomes damaged or is no longer usable, follow local regulations for disposal of firearm components.

Contact Information for Further Support

For any safety inquiries or additional support regarding the 1911 DropIn Barrel & Bushing, please contact the manufacturer directly through the provided EUbased contact point.

Thank you for your attention to these safety guidelines. Your safety and the safe use of your firearm are our top priorities.
