1911 Slide Stop Wilson Combat .45 ACP Safety Instruction Guide

Introduction

Thank you for purchasing the 1911 Slide Stop by Wilson Combat. This product is designed for use with the 1911 Auto platform and is made from durable materials to ensure longlasting performance. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before installing or using the slide stop.
- Always treat firearms with respect and follow all applicable laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the slide stop for any signs of wear or damage before use.
- If you notice any irregularities, do not use the product and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or removing the slide stop.
- Do not attempt to modify the slide stop. Any modifications may compromise safety and functionality.
- Use the slide stop only with compatible models: Government, Commander, and Officers.
- Ensure that the slide stop is properly engaged during operation to prevent accidental releases.
- Avoid using the slide stop in adverse conditions (e.g., extreme temperatures, wet environments) that may affect its performance.

Instructions for Installation and Usage

1. Installation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing slide stop if applicable by pushing the pin out from the right side of the frame.
- Insert the new slide stop into the frame, ensuring that the pin aligns with the hole.
- Push the pin back into place from the right side until it is fully seated.
- Verify that the slide stop functions correctly by manually cycling the slide.

2. Usage

- When firing, the slide stop will automatically engage after the last round is fired.
- To release the slide, press the slide stop down with your thumb while pulling back on the slide.
- Always ensure that the slide is locked back before loading a new magazine.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal waste.
- Do not throw the slide stop in regular household waste.
- Consider recycling options available in your area to ensure proper disposal.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please reach out to the designated EU contact point provided by the manufacturer or consult the product's packaging for further details.

Conclusion

By following these safety guidelines and instructions, you can ensure the safe and effective use of the 1911 Slide Stop by Wilson Combat. Always prioritize safety and responsible handling of your firearm. Thank you for your attention to these important safety instructions.
