Safety Instruction Guide for 1911 Slide Stop Wilson Combat .45 ACP Slide Stop, SS

Introduction

Thank you for choosing the 1911 Slide Stop by Wilson Combat. This product is designed for use with 1911 Auto pistols and is engineered to enhance your shooting experience. Please read this safety instruction guide carefully to ensure safe and effective use of the slide stop.

General Safety Guidelines

- Ensure that the product is used only in accordance with the manufacturer's instructions.
- Always treat firearms with respect and assume they are loaded until verified otherwise.
- Store the slide stop in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the slide stop for any signs of wear or damage before use.
- Report any unsafe product experiences or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not use the slide stop if it appears damaged or worn.
- Ensure that the firearm is unloaded before installing or adjusting the slide stop.
- Follow all local laws and regulations regarding the use and modification of firearms.
- Use appropriate personal protective equipment (PPE) such as eye and ear protection when handling firearms.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove the Old Slide Stop:** Use a punch tool to carefully remove the existing slide stop from the firearm.
3. **Install the New Slide Stop:**
 - Align the new slide stop with the slide and frame.
 - Insert the slide stop into the designated hole until it is securely in place.
4. **Test Functionality:** Ensure that the slide lock engages properly and that the slide operates smoothly.

Usage

- When using the firearm, ensure that the slide stop is functioning correctly and engages the slide lock after the last round is fired.
- If you encounter any issues with the slide stop, cease use immediately and consult a qualified gunsmith.

Disposal Instructions

- Dispose of the slide stop in accordance with local regulations for metal recycling.
- Ensure that the slide stop is rendered unusable before disposal to prevent accidental use.

Contact Information for Further Support

For any inquiries regarding safety or product support, please contact the manufacturer directly through their official website or customer service.

By following these guidelines, you will help ensure your safety and the safety of others while using the 1911 Slide Stop by Wilson Combat. Thank you for your attention to these important safety instructions.
