

1911 RECOIL SPRING GUIDE - WILSON COMBAT 2-PIECE GOVERNMENT GUIDE ROD

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Spring Guide Rods](#)

Eliminate Spring Kink & Bind; One-& Two-Piece Styles

With a full-length guide rod in place giving no chance for recoil spring bind, a 1911 will chamber, cycle and extract more reliably. One-piece style available for Government/Gold Cup and Commander; Two-piece for Government/Gold Cup in both standard full-length and long slide for pistols equipped with partial or full-style compensators. Reverse Plug model fits Govt. length slides altered to accept tapered sleeve bushing. These are for standard recoil springs only, not Flat Wire Springs.

1911 Recoil Spring Guide Wilson Combat 2Piece Government Guide Rod Safety Instructions

Introduction

Thank you for choosing the 1911 Recoil Spring Guide Wilson Combat 2Piece Government Guide Rod. This product is designed to enhance the functionality of your 1911 firearm, ensuring reliable chambering, cycling, and extraction. To ensure your safety and the proper use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle firearms with care and assume they are loaded until verified otherwise.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the recoil spring guide rod for wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities immediately.
- Stay informed about recalls or safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only standard recoil springs with this guide rod; do not use Flat Wire Springs.
- Ensure that the guide rod is compatible with your specific model of 1911 (Government/Gold Cup or Commander).
- Avoid using the guide rod with altered or modified firearms unless specified by the manufacturer.
- Be cautious when installing or removing the guide rod to prevent injury.
- Always wear appropriate safety gear, including eye protection, when handling firearms.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and free of ammunition.
- Gather necessary tools for installation, including a punch and hammer if needed.

2. Installation Steps

- Remove the existing recoil spring guide rod from your firearm.
- Clean the area around the recoil spring assembly to ensure no debris interferes with installation.
- Insert the new 1911 Recoil Spring Guide into the recoil spring housing.
- Align the guide rod with the recoil spring and ensure it is seated properly.
- Reassemble the firearm according to the manufacturer's specifications.

3. Usage

- After installation, perform a function check to ensure the firearm operates correctly.
- Regularly check the guide rod for signs of wear or damage during routine firearm maintenance.
- Store your firearm and guide rod in a secure location when not in use.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and firearm components.
- Do not dispose of the product in household waste.

- Contact your local waste management facility for information on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the 1911 Recoil Spring Guide Wilson Combat 2Piece Government Guide Rod, please refer to the manufacturer's official website or customer service resources.
