

1911 VALUE LINE HAMMER & SEAR - WILSON COMBAT VALUE HAMMER

[Handgun Parts](#) > [Trigger Group Parts](#) > [Hammer Parts](#) > [Hammers](#)

Reliable Performance; Affordable Price

Ready to install, fully finished parts give a crisp, clean trigger pull. All engagement surfaces are correctly ground for positive hammer/sear engagement. Hammer has low-mass oval cut spur that reduces lock time. Narrowed sides improve function by reducing drag. Sear primary angle is cut; just polish it and stone the relief angle for a super clean breaking trigger.

Safety Instruction Guide for 1911 VALUE LINE HAMMER & SEAR

Introduction

Thank you for choosing the 1911 VALUE LINE HAMMER & SEAR by Wilson Combat. This product has been designed to enhance the performance of your firearm while ensuring safety and reliability. Please read this safety instruction guide carefully to ensure proper use, installation, and maintenance of the product.

General Safety Guidelines

- Ensure that the firearm is unloaded and pointed in a safe direction before performing any installation or maintenance.
- Always wear appropriate safety gear, including eye protection, when handling firearms and related components.
- Only use this product in accordance with the manufacturer's instructions and guidelines.
- Be aware of the laws and regulations in your area regarding firearm modifications and usage.
- Store all firearm components, including the hammer and sear, in a secure location away from children and unauthorized users.
- Regularly inspect your firearm and components for signs of wear or damage.

Specific Safety Precautions for Use

- Handle the hammer and sear with care to avoid injury from sharp edges.
- Ensure that all engagement surfaces are correctly aligned during installation to prevent malfunction.
- Do not modify the hammer or sear beyond the manufacturer's specifications.
- If you are unsure about the installation process, seek assistance from a qualified gunsmith.
- Test the trigger pull in a safe environment before using the firearm for shooting.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components for installation.
- Ensure that your workspace is clean and free of distractions.

2. Installation Steps:

- Verify that the firearm is unloaded and safe.
- Remove the existing hammer and sear from the firearm according to the manufacturer's instructions.
- Install the new hammer by aligning it with the hammer pin and securing it in place.
- Install the new sear by aligning it with the sear pin and ensuring proper engagement with the hammer.
- Check the primary angle of the sear; polish it and stone the relief angle as needed for a clean breaking trigger.

3. PostInstallation Check:

- After installation, perform a function check to ensure that the hammer and sear are operating correctly.
- Test the trigger pull in a safe and controlled environment.

Disposal Instructions

- Dispose of any old or unused firearm components in accordance with local regulations.
- Do not dispose of components in a manner that could pose a risk to the environment or public safety.

Contact Information for Further Support

For any questions or concerns regarding the installation or use of the 1911 VALUE LINE HAMMER & SEAR, please refer to the manufacturer's contact information provided with the product packaging or visit the official website.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your 1911 VALUE LINE HAMMER & SEAR. Always prioritize safety and responsible firearm handling. Thank you for your attention and commitment to safe practices.
