

# 1911 ULTRALIGHT HAMMER - WILSON COMBAT S/S ULTRALIGHT HAMMER

[Handgun Parts](#) > [Trigger Group Parts](#) > [Hammer Parts](#) > [Hammers](#)

## "Skeletonized" Design, Long-Wearing Steel

The last bit of extra weight has been stripped away for minimum weight and faster locktime. Machined from A-2 tool steel or Stainless Steel and hardened for superior strength and long life. Sear engagement hooks pre-cut to .020" height and ground; ready to polish. Rebated width on half-cock prevents sear nose damage. Combat-style spur is serrated for fast, easy thumb grip. Narrowed body can't interfere with slide travel.

## Attributes

- Name: [WILSON COMBAT S/S ULTRALIGHT HAMMER](#)

# Safety Instruction Guide for 1911 Ultralight Hammer

## Introduction

Thank you for choosing the 1911 Ultralight Hammer from Wilson Combat. This product is designed to enhance your firearm's performance while ensuring safety during use. Please read this safety instruction guide thoroughly to ensure safe handling, installation, and usage.

## General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure the hammer is securely installed before use.
- Regularly inspect the hammer and other firearm components for wear and damage.
- Store the firearm in a secure location, away from children and unauthorized users.
- Always follow local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- Do not use the hammer if it shows signs of damage or excessive wear.
- Ensure proper fitting of the hammer to avoid interference with slide travel.
- Avoid using the hammer with ammunition that exceeds the recommended specifications for your firearm.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.
- Always wear appropriate eye and ear protection when using firearms.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the old hammer if applicable, following the manufacturer's instructions.
- Align the new 1911 Ultralight Hammer with the hammer pin hole.
- Insert the hammer pin and secure it in place.
- Check for proper movement and ensure the hammer does not interfere with the slide.

### 2. Usage

- Before firing, ensure the hammer is in the cocked position.
- Engage the thumb grip to operate the hammer smoothly.
- Monitor the hammer's performance during use and be alert for any irregularities.

## Disposal Instructions

- Dispose of the hammer according to local regulations regarding metal and firearm components.
- Do not dispose of the hammer in regular household waste.
- Consider recycling options for metal components whenever possible.

## Contact Information for Further Support

For any questions or concerns regarding the 1911 Ultralight Hammer, please refer to your local dealer or manufacturer's support resources. Always ensure you have the latest information on recalls and safety notices.

## **Important Note**

This product is designed for use with specific models: Government, Commander, and Officers. Ensure compatibility before installation. Always consult a qualified gunsmith if you are unsure about the installation process or have any safety concerns.

By following these guidelines, you can ensure a safe and effective experience with your 1911 Ultralight Hammer. Thank you for your commitment to safety.
