

1911 ULTRALIGHT HAMMER - WILSON COMBAT ULTRALIGHT HAMMER

[Handgun Parts](#) > [Trigger Group Parts](#) > [Hammer Parts](#) > [Hammers](#)

"Skeletonized" Design, Long-Wearing Steel

The last bit of extra weight has been stripped away for minimum weight and faster locktime. Machined from A-2 tool steel or Stainless Steel and hardened for superior strength and long life. Sear engagement hooks pre-cut to .020" height and ground; ready to polish. Rebated width on half-cock prevents sear nose damage. Combat-style spur is serrated for fast, easy thumb grip. Narrowed body can't interfere with slide travel.

Attributes

1911 ULTRALIGHT HAMMER SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the 1911 Ultralight Hammer from Wilson Combat. This product is designed to enhance your firearm's performance while ensuring safety and reliability. This guide provides essential safety instructions and guidelines to help you use the product effectively and responsibly.

General Safety Guidelines

- Ensure that you are familiar with the safe handling and operation of firearms before using this product.
- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for wear and damage.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Only use the 1911 Ultralight Hammer with compatible firearm models: Government, Commander, and Officers.
- Ensure that the hammer is installed correctly to prevent malfunction or injury.
- Avoid using excessive force when installing or adjusting the hammer to prevent damage.
- Always wear appropriate eye protection when handling firearms.
- Do not modify the hammer or any other firearm components unless you are a qualified gunsmith.
- In case of a malfunction, cease firing immediately and inspect the firearm for issues.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and the magazine is removed.
- Gather necessary tools for installation, including a punch tool and a hammer.

2. Installation Steps:

- Remove the existing hammer from your firearm by following the manufacturer's instructions.
- Compare the new 1911 Ultralight Hammer with the old hammer to ensure compatibility.
- Align the hammer with the hammer pin hole and insert the pin carefully.
- Ensure the sear engagement hooks are positioned correctly and at the specified height of .020".
- Check that the rebated width on halfcock is aligned to prevent sear nose damage.
- Secure the hammer and ensure it operates smoothly without obstruction.

3. Usage:

- Once installed, perform a function check to ensure the hammer engages and releases properly.
- Regularly inspect the hammer during routine maintenance to ensure it remains in good condition.
- Follow all safety protocols when firing your firearm.

Disposal Instructions

- Dispose of any damaged or wornout parts according to local regulations.
- Do not discard firearm components in regular household waste.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

- For safety inquiries or assistance, please refer to the manufacturer's website or contact their support team. Ensure that you have your product information ready for a more efficient response.

Conclusion

By following these safety instructions and guidelines, you can ensure the safe and effective use of the 1911 Ultralight Hammer. Always prioritize safety and responsibility in all your firearmrelated activities. Thank you for your attention and commitment to safety.
