# **BULLET PROOF™ FIRING PIN STOPS FOR 1911 AUTO WILSON COMBAT SS, SERIES 70 FIRING PIN STOP Safety Instruction Guide**

## **Introduction**

Thank you for choosing the BULLET PROOF™ Firing Pin Stops for your 1911 Auto Wilson Combat SS, Series 70. This guide provides essential safety instructions and information to ensure the safe use and installation of this product. Please read this guide carefully before use.

## **General Safety Guidelines**

- Always ensure that the firearm is unloaded before installing or handling the firing pin stop.
- Inspect the firing pin stop for any signs of damage or imperfections before use.
- Keep the product out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Report any unsafe products or incidents to the appropriate authorities.

## **Specific Safety Precautions for Use**

- Ensure the firing pin stop is compatible with your specific model of 1911 Auto.
- Minor fitting may be required; take care to avoid overfitting which can lead to malfunction.
- Do not attempt to modify the firing pin stop beyond the recommended fitting procedures.
- Always wear appropriate eye and ear protection when working with firearms.
- Consult a qualified gunsmith if you are unsure about the installation process.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Gather the necessary tools: a punch, hammer, and any additional fitting tools if required.
- Ensure your workspace is clean and welllit.

### **2. Installation:**

- Verify that your firearm is completely unloaded.
- Remove the slide from the frame of the firearm according to your model's instructions.
- Locate the existing firing pin stop and carefully remove it using the punch and hammer.
- Compare the new BULLET PROOF™ firing pin stop with the old one to ensure proper fit.
- Install the new firing pin stop by gently tapping it into place using the punch and hammer.
- Check that the extractor is properly aligned with the rim for reliable extraction.

### **3. Final Check:**

- Reassemble the firearm and ensure all parts are secured.
- Conduct a function test to ensure the firearm operates correctly with the new firing pin stop.
- If any issues arise, consult a qualified gunsmith for assistance.

## **Disposal Instructions**

- Dispose of any old parts, including the previous firing pin stop, in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling options where available.

## **Contact Information for Further Support**

For any safety inquiries or product support, please refer to the contact details provided by your retailer or manufacturer.

By following these guidelines, you can help ensure the safe and effective use of your BULLET PROOF™ Firing Pin Stops for your 1911 Auto Wilson Combat SS, Series 70. Thank you for prioritizing safety and compliance with EU regulations.
