# BULLET PROOF™ FIRING PIN STOPS FOR 1911 AUTO STEEL, SERIES 70

## Introduction

Thank you for choosing the BULLET PROOF™ Firing Pin Stops for your 1911 Auto. This product is designed to enhance the performance and reliability of your firearm. Please read this safety instruction guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Ensure that you are familiar with the operation and safety features of your firearm before installing the firing pin stop.
- Always treat your firearm as if it is loaded, even when you believe it to be empty.
- Keep the firing pin stop and all firearm components out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for wear and damage.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the BULLET PROOF™ Firing Pin Stop with compatible models: Government, Commander, and Officers.
- Ensure that the firing pin stop is properly fitted and secured before using your firearm.
- Be aware that minor fitting may be required; improper fitting can lead to malfunction.
- Avoid using excessive force when installing or adjusting the firing pin stop.
- Do not modify the firing pin stop beyond the manufacturer's specifications, as this may compromise safety and performance.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a punch and hammer, for installation.

### 2. Installation Steps:

- Remove the existing firing pin stop from the slide by gently tapping it out with a punch.
- Align the BULLET PROOF™ Firing Pin Stop with the slide and insert it into the designated slot.
- Use a punch to gently tap the firing pin stop into place until it is securely seated.
- Check the extractor's relationship to the rim to ensure proper alignment for reliable extraction.

### 3. PostInstallation Check:

- Inspect the installation to ensure there are no gaps or misalignments.
- Perform a function check on your firearm to ensure it operates correctly with the new firing pin stop.

### 4. Usage:

- Use your firearm in accordance with the manufacturer's guidelines and safety protocols.
- Regularly inspect the firing pin stop for signs of wear or damage during routine maintenance.

## **Disposal Instructions**

- Dispose of any damaged or worn components, including the firing pin stop, in accordance with local regulations.
- Ensure that all firearm components are disposed of safely to prevent accidents.

## **Contact Information for Further Support**

For any questions or concerns regarding the BULLET PROOF™ Firing Pin Stops or their installation, please consult with a qualified gunsmith or contact the manufacturer directly for assistance.

Thank you for prioritizing safety and performance with your firearm. Enjoy your shooting experience responsibly!
