

1911 BULLET PROOF™ SLIDE STOP - BLUE BULLET PROOF SLIDE STOP, .45 ACP

[Handgun Parts](#) > [Frame Parts](#) > [Slide Catch Parts](#) > [Slide Catches](#)

Reinforced In Critical Areas For Improved Function & Durability

Fully-machined from bar stock, then heat treated and hardened for fail-proof durability. Radiused corners won't catch on holsters or clothing. Thumb pad extends slightly at a 90° angle for increased leverage and faster, more positive engagement. Maximum-diameter pin increases barrel lockup.

1911 BULLET PROOF™ SLIDE STOP BLUE BULLET PROOF SLIDE STOP, .45 ACP Safety Instruction Guide

Introduction

Thank you for choosing the 1911 BULLET PROOF™ Slide Stop. This product is designed for use with Government, Commander, and Officers models of the 1911 pistol. It is manufactured to ensure high durability and reliability. Please read this safety instruction guide carefully to ensure safe usage and compliance with EU General Product Safety Regulations.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before installing or using the slide stop.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Store the slide stop and your firearm in a secure location, away from children and unauthorized users.
- Regularly inspect the slide stop for signs of wear or damage. If any issues are found, do not use the slide stop and seek professional assistance.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the slide stop with compatible models: Government, Commander, and Officers.
- Ensure that the firearm is unloaded before installation or adjustment of the slide stop.
- Avoid placing your fingers near the slide or in the ejection port when operating the firearm.
- Do not modify the slide stop in any way, as this may compromise its safety and functionality.
- If you experience any difficulties during installation or usage, consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is completely unloaded.
- Gather necessary tools, including a punch and hammer for installation.

2. Installation Steps

- Remove the existing slide stop from the firearm by driving out the retaining pin with a punch.
- Align the new 1911 BULLET PROOF™ Slide Stop with the slide and frame of the firearm.
- Insert the maximum diameter pin into the designated hole, ensuring a secure fit.
- Drive the retaining pin back into place to hold the slide stop securely.

3. Usage Instructions

- After installation, check to ensure that the slide stop functions correctly by manually cycling the slide.
- Engage the thumb pad to release the slide as needed.
- Regularly check the operation of the slide stop during routine maintenance.

4. PostUsage Care

- Clean the slide stop and surrounding areas after each use to prevent buildup of debris.

- Store the firearm and slide stop in a dry, secure location.

Disposal Instructions

- When disposing of the slide stop, ensure it is rendered unusable to prevent accidental use.
- Follow local regulations for the disposal of metal components.

Contact Information for Further Support

For any inquiries regarding the safety and usage of the 1911 BULLET PROOF™ Slide Stop, please refer to the manufacturer's website or contact their customer service. Ensure that you have the model and serial number available for assistance.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your 1911 BULLET PROOF™ Slide Stop. Always prioritize safety and compliance with regulations to protect yourself and others. Thank you for your attention to these important guidelines.
