

1911 DROP-IN BEAVERTAIL GRIP SAFETY - S/S GOVT. SAFETY

[Handgun Parts](#) > [Safety Parts](#) > [Safeties](#)

High Ride Comfort For Colts, Without Frame Cutting

Install the comfort and convenience of a high ride beavertail safety on your Colt 1911 Auto without cutting or altering the frame. Deeply curved shape lets the pistol sink farther into the web of your hand for improved recoil control and shooting comfort. Raised pad at the base ensures positive safety engagement even with a high-thumb hold. Wide beavertail eliminates painful hammer bite. All models must be used with Commander-style or bobbed hammers only. Minor fitting of trigger engagement area may be required for proper operation.

1911 DropIn Beavertail Grip Safety Safety Instructions

Introduction

Thank you for choosing the 1911 DropIn Beavertail Grip Safety. This product is designed to enhance your shooting experience by providing improved recoil control and comfort. It is important to follow the safety instructions outlined in this guide to ensure safe and effective use of your new safety device.

General Safety Guidelines

- Always treat your firearm as if it is loaded, even when you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store firearms and ammunition securely and out of reach of children.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure that your shooting area is safe.
- Regularly inspect your firearm and accessories for any signs of wear or damage.
- Follow local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Ensure that the beavertail grip safety is compatible with your Colt 1911 Auto model (Government, Commander, Officers).
- Only use the grip safety with Commanderstyle or bobbed hammers.
- Minor fitting of the trigger engagement area may be required for proper operation. Consult a qualified gunsmith if necessary.
- Do not attempt to modify or alter the grip safety beyond the recommended installation instructions.
- Be cautious of the raised pad at the base of the grip safety, as it is designed for positive safety engagement. Ensure it is properly engaged during use.
- Avoid using the firearm with a highthumb hold unless the grip safety is properly installed and functioning.

Instructions for Installation and Usage

Installation Instructions

1. **Safety First:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove the Old Safety:** If applicable, carefully remove the existing grip safety from your Colt 1911 Auto. Follow the manufacturer's instructions for disassembly.
3. **Prepare the New Grip Safety:** Inspect the 1911 DropIn Beavertail Grip Safety for any defects or damage before installation.
4. **Install the New Safety:**
 - Align the beavertail grip safety with the frame of your Colt 1911.
 - Ensure that the safety mechanism is properly engaged with the trigger mechanism.
 - Securely fasten the safety in place according to the manufacturer's specifications.
5. **Check Functionality:** Before using the firearm, check that the grip safety engages and disengages correctly. Make sure it functions smoothly without any obstruction.
6. **Test Fire:** After installation, conduct a test fire in a safe and controlled environment to ensure proper operation.

Usage Instructions

- Always ensure that the grip safety is properly engaged before firing.
- Maintain a firm grip on the firearm to ensure the safety functions correctly.
- Practice safe shooting habits and remain aware of your surroundings while using the firearm.

- Regularly check the grip safety for wear and functionality, especially after extensive use.

Disposal Instructions

When disposing of the 1911 DropIn Beavertail Grip Safety, follow these guidelines:

- Do not dispose of the product in regular household waste.
- Check local regulations for proper disposal methods of firearm accessories.
- Consider recycling the product if applicable, or contact a local firearms dealer for advice on safe disposal.

Contact Information for Further Support

For any inquiries or concerns regarding the 1911 DropIn Beavertail Grip Safety, please refer to the manufacturer's contact information provided in the product packaging. It is important to have access to support for any safetyrelated questions or issues.

By following these safety instructions, you can ensure a safe and enjoyable experience with your 1911 DropIn Beavertail Grip Safety. Always prioritize safety and responsibility when handling firearms.
