

# 1911 DROP-IN BEAVERTAIL GRIP SAFETY - S/S COMM. SAFETY

[Handgun Parts](#) > [Safety Parts](#) > [Safeties](#)

## High Ride Comfort For Colts, Without Frame Cutting

Install the comfort and convenience of a high ride beavertail safety on your Colt 1911 Auto without cutting or altering the frame. Deeply curved shape lets the pistol sink farther into the web of your hand for improved recoil control and shooting comfort. Raised pad at the base ensures positive safety engagement even with a high-thumb hold. Wide beavertail eliminates painful hammer bite. All models must be used with Commander-style or bobbed hammers only. Minor fitting of trigger engagement area may be required for proper operation.

## Attributes

- Name: [S/S COMM. SAFETY](#)

# 1911 DropIn Beavertail Grip Safety Safety Instructions

## Introduction

Thank you for purchasing the 1911 DropIn Beavertail Grip Safety. This product is designed to enhance the comfort and safety of your Colt 1911 Auto. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always ensure the firearm is unloaded before installing or handling the beavertail safety.
- Use only Commanderstyle or bobbed hammers with this product.
- Ensure that the grip safety is properly engaged before firing the firearm.
- Regularly inspect the beavertail safety for any signs of wear or damage.
- Report any unsafe product experiences or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Avoid using the beavertail safety with a standard hammer, as it may not function correctly.
- Do not attempt to modify the beavertail safety beyond the minor fitting of the trigger engagement area, as improper modifications can lead to malfunction.
- Ensure that the installation does not interfere with the normal operation of the firearm.
- Keep this product out of reach of children and unauthorized users.
- Be aware of the potential for hammer bite; the wide beavertail is designed to minimize this risk.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your Colt 1911 Auto is completely unloaded.
- Gather the necessary tools for installation, including a screwdriver and any other tools specified in your firearm's manual.

### 2. Installation

- Remove the existing grip safety by unscrewing it from the frame of the firearm.
- Align the new beavertail safety with the mounting holes on the frame.
- Install the beavertail safety by securing it with screws, ensuring it is firmly in place.
- Check for proper fit and function by pressing the safety to ensure it engages correctly.

### 3. Usage

- Familiarize yourself with the operation of the beavertail safety.
- Practice engaging and disengaging the safety before using the firearm in a live scenario.
- Always maintain a proper grip on the firearm to ensure the safety functions as intended.

## Disposal Instructions

- Dispose of any packaging materials responsibly, following local waste disposal regulations.
- If the beavertail safety is damaged or no longer functional, dispose of it in accordance with local guidelines for hazardous materials, if applicable.
