SERVICE PAK for GLOCK®

17/17L/20/21/22/24/31/34/35 WOLFF SERVICE PAK

FOR GLOCK® 17 Safety Instruction Guide

Introduction

Thank you for choosing the WOLFF SERVICE PAK for your GLOCK® 17/17L/20/21/22/24/31/34/35. This product includes essential factory weight coil springs designed for safe and effective use in your semiautomatic pistol. This guide provides important safety instructions and guidelines to ensure your safety and the proper functioning of your firearm.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm securely and out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for wear or damage.
- Only use parts that are compatible with your specific GLOCK® model.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before beginning any maintenance or installation.
- Use protective eyewear when handling springs, as they can snap back unexpectedly.
- Avoid using excessive force when installing or removing springs to prevent injury or damage.
- If you are unsure about the installation process, seek assistance from a qualified gunsmith.
- Do not modify or alter any components of the SERVICE PAK, as this may lead to unsafe conditions.

Instructions for Installation and Usage

1. Preparation

- Ensure you have a clean, welllit workspace.
- Gather all necessary tools, including a flathead screwdriver and a punch tool.

2. Disassembly of the Firearm

- Verify that the firearm is completely unloaded.
- Follow the manufacturer's instructions to disassemble your GLOCK® model.

3. Installation of Springs

- Remove the old springs from the firearm carefully.
- Install each new spring from the SERVICE PAK, ensuring they are seated properly in their designated locations.
- Refer to the specific installation instructions provided by the manufacturer for your GLOCK® model.

4. Reassembly of the Firearm

- Once all springs are installed, reassemble the firearm according to the manufacturer's guidelines.
- Perform a function check to ensure that the firearm operates correctly.

5. Final Safety Check

- Inspect the firearm to ensure all parts are securely in place.
- Store the firearm in a safe location when not in use.

Disposal Instructions

- Dispose of old springs and any other components in accordance with local regulations.
- Do not dispose of springs in regular household waste. Instead, take them to a recycling facility that accepts metal products.

Contact Information for Further Support

For any questions or concerns regarding the WOLFF SERVICE PAK for GLOCK® 17/17L/20/21/22/24/31/34/35, please consult the manufacturer's website or contact their customer support for assistance.

Conclusion

By following these safety instructions and guidelines, you can ensure the safe and effective use of your WOLFF SERVICE PAK. Always prioritize safety and seek professional help if you are unsure about any aspect of firearm maintenance or operation. Thank you for your commitment to responsible firearm ownership.
