SERVICE PAK for GLOCK® 19, 23, 32 Safety Instruction Guide

Introduction

Thank you for choosing the SERVICE PAK for GLOCK® 19, 23, and 32. This product includes essential factory weight coil springs designed specifically for your semiauto pistol. Proper installation and use are crucial to ensure safety and functionality. Please read this guide thoroughly before use.

General Safety Guidelines

- Always handle firearms and related components with care and in accordance with local laws and regulations.
- Ensure that the firearm is unloaded before performing any maintenance or installation.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of your GLOCK® pistol before installing or replacing any components.
- Do not attempt to modify the product or use it in any manner not specified in this guide.
- Always wear appropriate safety gear, including eye protection, when handling or working on firearms.
- If you experience any issues with the installation or operation of the product, cease use immediately and seek assistance.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a screwdriver and any other tools recommended in your GLOCK® owner's manual.
- Ensure you are in a safe and controlled environment for installation.

2. Installation Steps

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing springs from your GLOCK® 19, 23, or 32 according to the manufacturer's instructions.
- Take the new coil springs from the SERVICE PAK and compare them with the old springs to ensure correct sizing.
- Install the new springs by following these steps:
 - Insert the new springs into their respective locations as per the GLOCK® guidelines.
 - Ensure that each spring is properly seated and secured.
 - Doublecheck the installation to confirm that all components are in place.

3. PostInstallation Check

- Perform a function check on your firearm to ensure everything operates smoothly.
- If you notice any irregularities, consult a qualified gunsmith or contact support for assistance.

Disposal Instructions

- Dispose of any old springs or components in accordance with local regulations.
- Do not discard in regular household waste; check for local recycling or hazardous waste disposal options.

Contact Information for Further Support

For any questions or concerns regarding the SERVICE PAK for GLOCK® 19, 23, and 32, please refer to your local GLOCK® dealer or authorized service center for assistance.

This safety instruction guide is designed to ensure the safe and effective use of the SERVICE PAK for GLOCK® 19, 23, and 32. Please adhere to all safety guidelines and instructions to maintain a safe environment while handling your firearm.
