# RUGER® MINI14® RECOIL & HAMMER SPRING Safety Instruction Guide

## Introduction

Thank you for choosing the RUGER® MINI14® RECOIL & HAMMER SPRING. This product is designed to enhance the performance of your Mini14®, 30®, and Ranch Rifle by decreasing lock time and improving reliability. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling any components.
- Keep the product and all firearms out of reach of children and unauthorized users.
- Inspect the product for any signs of damage before installation. Do not use if damaged.
- Follow all local laws and regulations regarding firearms and their components.
- Use this product only with compatible firearms as specified in the product description.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the firearm is in a safe condition before installation. This includes verifying that the magazine is removed and the chamber is empty.
- Wear safety glasses and gloves during installation to protect against potential injuries.
- Avoid placing fingers near moving parts during installation and usage.
- Do not attempt to modify the spring or any other components; alterations can compromise safety and performance.
- Store the product in a cool, dry place away from direct sunlight and moisture.

## Instructions for Installation and Usage

### 1. Preparation

- Gather the necessary tools for installation, including a screwdriver and any other required equipment.
- Ensure that your workspace is clean and free of distractions.

### 2. Installation Steps

- Ensure the firearm is unloaded and in a safe condition.
- Remove the existing recoil spring and hammer spring from the Mini14®.
- Carefully install the new RUGER® MINI14® RECOIL & HAMMER SPRING by following these steps:
  - Position the new recoil spring in the appropriate location.
  - Align the hammer spring correctly and secure it in place.
- Doublecheck that both springs are seated properly and securely.

### 3. Usage

- After installation, perform a function check to ensure that the firearm operates correctly.
- Always follow safe handling practices when using the firearm.
- Regularly inspect the springs for wear and replace them as necessary to maintain optimal performance.

## **Disposal Instructions**

- Dispose of any old springs and components in accordance with local waste disposal regulations.
- Do not dispose of springs in regular household waste. Check for recycling options or specialized disposal services.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product performance, please consult your local dealer or authorized service center.

By following these guidelines, you can ensure a safe and effective experience with your RUGER® MINI14® RECOIL & HAMMER SPRING. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
