# KIMBER® EXTRA POWER RECOIL & FIRING PIN SPRING WOLFF XPOWER RECOIL & FIRING PIN SPRING Safety Instruction Guide

## Introduction

Thank you for choosing the KIMBER® Extra Power Recoil & Firing Pin Spring. This product is designed to enhance the performance of your Kimber Compact and ProCarry 4" pistols by finetuning recoil for smoother cycling. It includes an extrapower firing pin spring to maintain the firing pin stop's position, preventing firing pin float and offsetting increased slide thrust. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product.

## General Safety Guidelines

- Always handle firearms safely and responsibly.
- Ensure that you are familiar with the operation of your firearm before installing or using this product.
- Store this product and all firearms in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for wear or damage.
- Follow all local laws and regulations regarding firearms and their accessories.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use this recoil and firing pin spring with Kimber Compact and ProCarry 4" pistols.
- Ensure that the firearm is unloaded before attempting any installation or maintenance.
- Wear appropriate safety gear, such as eye protection, when handling firearms.
- Avoid contact with any moving parts during operation to prevent injury.
- Do not modify the spring or use it in a manner not intended by the manufacturer.
- Keep this product away from moisture and extreme temperatures to prevent corrosion or malfunction.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a punch tool and a small hammer.

### 2. Installation

- Remove the slide from the frame of your Kimber pistol according to the manufacturer's instructions.
- Carefully remove the existing recoil spring and firing pin spring.
- Install the KIMBER® Extra Power Recoil Spring in the same orientation as the original spring.
- Replace the firing pin spring with the extrapower firing pin spring, ensuring it is secured properly.
- Reassemble the slide onto the frame and ensure it functions correctly.

### 3. Usage

- Test the firearm in a controlled environment to ensure proper operation.
- Monitor the performance of the firearm regularly and check for any signs of wear on the springs.

## **Disposal Instructions**

- Dispose of old springs and packaging materials in accordance with local regulations.
- Do not throw away in regular household waste; check for recycling options in your area.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the KIMBER® Extra Power Recoil & Firing Pin Spring, please consult the manufacturer's website or customer service for assistance.
